Emergency School Dismissal

In efforts to improve communications between parents and school, the Marion C. Early R-V School District has instituted a telephone broadcast system that enables school personnel to notify all households and parents by phone within minutes of an emergency or unplanned event that causes early dismissal, school cancellation, or late start. The service may also be used from time to time to communicate general announcements. This service is provided by ThrillShare which specializes in school-to-parent communications. When used, the service will simultaneously call all listed phone numbers in our present contact list and will deliver a recorded message from a school administrator. The service will deliver the message to both live answer and answering machines. No answers and busy signals will be automatically retried after the initial call. Parents should have a pre-arranged procedure for their student(s) to follow should this situation arise.

When school is closed due to bad weather, school-closing information can also be heard on the following radio and television stations:

Television Stations	Radio Stations
KY3 – Springfield	KTTS 94.7 FM – Springfield
KOLR 10 – Springfield	KGBX 105.9 FM – Springfield
KSPR 33 – Springfield	KWTO 560 AM – Springfield
	KYOO 99.1 FM or 1200 AM - Bolivar

Statewide Assessments

The District will implement the components of the Missouri Assessment Program (MAP) including End-Of-Course Exams (EOC) in order to monitor the progress of all students, as set forth by the Missouri State Board of Education. The School Board authorizes the Superintendent to establish a process designed to encourage the students of this district to give their best efforts on each portion of any statewide assessment, which may include, but is not limited to, incentives or supplementary work as a consequence of performance.

Emergency Safety Procedures

Fire, tornado, earthquake and intruder drills are designed for the safety of the students. All students will be instructed at the beginning of the year as to the procedures to be followed for all drills. Drills will be held on a periodic basis.

Lockers

School lockers, desks and other district property are provided for the convenience of students, and as such, are subject to periodic inspection without notice. Student property may be searched based on reasonable suspicion of a violation of district rules, policy or state law. Reasonable suspicion must be based on facts known to the administration, credible information provided or reasonable inference drawn from such facts or information. Searches of student property shall be limited in scope based on the original justification of the search. The privacy and dignity of students shall be respected. Searches shall be carried out in the presence of adult witnesses, and not in front of other students, unless extenuating circumstances exist. Drug –sniffing dogs may be used for such inspection and search. Students are not to change lockers without approval of the office. Students will be assigned lockers. Students are responsible for items in their lockers. **THE SCHOOL IS NOT LIABLE FOR ITEMS LOST OR STOLEN FROM LOCKERS.** To secure lockers, the high school office will issue a lock to each student. Personal locks will not be allowed on school lockers and may be removed by the office. Locks not returned at the end of school year or when a student leaves will cost that student \$5.00.

All technology devices distributed are the property of the Marion C. Early R-V School District and considered fixed assets of the district. All technology is to be used as an educational tool only. Failure to comply with the Acceptable Use Agreement and guidelines will result in loss of take-home privileges.

1-1 Initiative

All students in grades 6-12 will be assigned a Chromebook. The same Chromebook will be assigned to them every year they are in school. We believe this will help ensure responsible care of the device. There will be a \$25 fee per year. When students graduate from MCE their Chromebook will be given to them. Students in grades 6-11 will turn in their Chromebook every year for summer maintenance. It is the students responsibility to show up to school everyday with a charged device.

Checkout Agreement

1. No personal software or configuration changes are allowed without prior authorization by the technology department.
2. Food and drink should be kept a safe distance from any district technology device.
3. Software and hardware problems should be reported immediately to the technology department at 417-376-2255 ext 248 or by emailing support@mcestaff.com. Users should never attempt to repair a computer.
4. No computer will be loaned to users outside the school or organization.
5. The designated borrower assumes financial responsibility for damage or theft of the technology device at all times when outside of the district or district functions.

Replacement Cost

Chromebook - \$250

Keyboard and Screen Damage -\$35

Charger -\$20

Cafeteria

The lunch period is closed, and all students are required to remain on the school grounds during the school day. Because of congestion in the cafeteria and other concerns, visitors are not allowed at lunchtime. Lunch may be eaten in the cafeteria or the outside eating area with permission and supervision by a certified staff member. The lunch period is divided into two sections. **All students are to report to the cafeteria during lunch period.** The snack line cost will vary with each item purchased.

Food Service Prices will be as follows:

Breakfast
K-12=\$1.00
Adult=\$1.30

Lunch
Elementary=\$2.00
MS/HS=\$2.25
Adult=\$3.00

In an effort to improve and speed up our lunch lines, a computer scanning system is utilized to keep better track of our meals and a la carte items. On his/her first day of school attendance, each student will be issued their student number. Using the number, students are expected to pay in advance so as to have a credit balance in their account. When a student passes through the lunch line, his/her number is entered, and the amount of purchase is deducted from the account balance.

There are no charges in the cafeteria. All lunches must be paid for with the assigned number. Free and reduced lunch participants will be issued a number similar to all others. If these students wish to purchase extra food items, they must keep a credit balance in their account or pay for the purchase. A lunch account balance report will be available upon request following each lunch period. Students who do not make advance payment on their lunch account should bring payment to the cafeteria during lunch. Students who do not have an account balance and fail to have money at the time of purchase will not be permitted to eat from the snack line.

A+ PROGRAM

Marion C. Early High School has been designated by the state of Missouri as an A+ School. Due to the constant changes within the program, current eligibility can be found at: <http://dhe.mo.gov/ppc/grants/aplus scholarship.php> . Program agreements and more information may also be obtained from the MCE A+ Coordinator.

VIRTUAL/ONLINE COURSES

In accordance with the passage of Senate Bill 603, the Marion C. Early Virtual School program was created and implemented to better serve the unmet needs of some of our students and move toward preparing all students for the 21st Century Skills necessary in their futures.

The School District of Marion C. Early will be partnering with the Springfield School District (SPS) through Fueled By Launch. SPS's virtual programming will enable us to provide virtual learning options for our students, including:

- Relevant courses in flexible locations in an asynchronous environment
- High quality, interactive courses aligned to state and national standards
- High school level curriculum
- Over 60 different course options
- AP courses not offered at MCE High School
- Semester courses for credit deficient students and others unable to successfully participate in a traditional setting
- A solution for schedule conflicts, home-based learners, homebound, adjudication, truancy, expulsions, teen parents, and other special needs
- Modified rates of learning to accommodate the student -traditional, accelerated or extended
- Preparation for future training in post-secondary educational and work environments

Fueled By Launch Virtual courses are aligned to national and state standards. Course goals and objectives will be available upon request. Students currently enrolled at MCE High School full-time can enrich their course selection with courses not currently offered. However, online courses cannot supplant courses offered on-site unless approved by administration. Students in a full- time, home based learning environment have access to all available coursework. All courses are 1-2 semester courses, and will follow the semester schedule as outlined by the district's current calendar. The number of concurrent courses, being completed at any one time, will be determined by the school district. Each student will work with district staff to develop a virtual education plan. All courses are taught by Missouri certified teachers. Fueled by Launch serves a three-fold need for students: Traditional Virtual, Credit Recovery, and Credit Acquisition. To be approved for the online program, students must print and complete the approval form located in the Course Description Catalog. Credit deficient students can acquire up to 2 full credits of non-core courses over the span of their High School years, if pre-approved by the HS Office. This option is only available to credit deficient students who are trying to stay on pace for on time graduation, and will be paid for by the district. Any credits to be transferred into the district has to meet all requirements provided by the Board Policy and will not be paid for by the Marion C. Early district.

MOCAP Enrollment

Students seeking virtual course options may do so through the MOCAP program operated by the Missouri Department of Elementary and Secondary Education. For more information on MOCAP enrollment, please review the MOCAP/Virtual Handbook and contact Dr. Josh Angel (jangel@mcestaff.com), Marion C. Early Schools' MOCAP designee, for additional assistance.

SUMMER SCHOOL

High School students may recover course credit through approved summer school courses. Check with the Counselor or Principal's office before enrolling for credit recovery toward graduation. Middle School students may have to attend summer school to recover core subject requirements for promotion when this policy applies.

SCHEDULE CHANGES

The student and the counselor plan individual schedules based on the student's four-year personal plan of study, and yearly selection of studies, within the constraints of teacher and facility availability. For this reason, schedule changes will be very limited and only in extreme circumstances. The counselor, principal, teachers, and parents involved must approve any schedule changes.

Work / College Release (School Flex Program)

A 12th grade student who has successfully completed twenty-one (21) units of credit and completed all required courses may apply for an alternative delivery system in order to pursue a timely graduation. If accepted in this program a student will be allowed an early dismissal from school for the purpose of work or college attendance. Students must be attending school for the first half of the day and be earning credit in classes needed for graduation. A student may earn up to (2) credits maximum toward graduation requirements from work release in a Pass / Fail format.

In order to be approved for work / college release, the student must:

1. Currently have a 2.5 grade point average at the successful completion of (6) semesters and maintain the average the following semesters.
2. The student must maintain a 95% attendance rate.
3. The student must avoid suspension or expulsion while in the program.
4. Provide written permission to work or attend college classes from the parent/guardian.
5. Work with the work / college release coordinator to implement the plan after approval from administration and Board of Education.

7. Sign out in the main office every day.
8. Provide evidence of enrollment and attendance at college or technical school or evidence of employment and hours worked (a minimum of 15 hours per week) to the work / college release coordinator by the end of each progress report deadline.

*Student attendance for the School Work / College Release program is reported through the Core Data System, utilizing the course code of 996002 - Off Campus, School Flex Program, for state aid purposes.

STUDENT AIDES

The following guidelines must be maintained for a student to be an aide during their senior year:

1. Must have a GPA of 2.5 or better and 95% attendance.
2. Cannot be an aide for more than one hour of his/her schedule.
3. In order to be considered for an aide position, students must have prior permission from the cooperating teacher.
4. A student may lose the privilege of being an aide at any time due to behavior, attendance or grades at the discretion of the teacher and principal.

If the student does not meet the standards set forth during the first semester, the student will be assigned a class to attend the second semester. The student will sign a contract before accepting the aide position. Teachers will be assigned only one aide per semester. Students do not receive credit for being an office aide or a teacher's aide.

EARLY GRADUATION

Students who are eligible for early graduation have completed the required credits and have been approved by the Board of Education. They will be expected to follow all school rules until their participation in the graduation exercises. Early graduation students will be allowed to participate in Spring graduation exercises under the following guidelines:

1. Complete all academic and attendance requirements for graduation.
2. Pay the appropriate fees connected with the graduation exercises as determined by the class and sponsors.
3. Participate in the appropriate meetings and rehearsals for the commencement exercise.

OZARKS TECHNICAL COLLEGE (OTC)

An area career and technical school is designed to provide occupational training for juniors and seniors in the high schools of the geographic area. Marion C. Early high school students have an opportunity to be selected to receive three units of credit per year for a half-day program at Ozarks Technical Community College. Rules for students attending OTC:

1. All Marion C. Early high school and OTC rules are to be followed.
2. **All students must ride to and from OTC on the school bus provided unless special permission for other transportation has been granted in advance by the Principal's office. The bus driver will take attendance on the bus each morning, and report it to the Principal's office.**

Students must follow all MCE rules established for regular bus transportation when riding to OTC and back.

3. Upon returning to the high school, students must remain on school grounds.
4. Students attending OTC must attend afternoon classes at MCE unless they have completed all other credits.
5. Students may be removed from the OTC program for violation of these rules or any other school policy. If a student fails his/her OTC course(s), he/she will be returned to a regular class schedule at MCE.
6. If a student receives disciplinary consequences such as ISS or OSS, he or she will not be allowed to attend OTC on those suspension days.
7. Students must maintain passing grades on campus to continue second semester at OTC.

GRADE LEVEL CLASSIFICATIONS

Any student not achieving the minimum number of credits needed for classification will have their graduation year changed in their master record. Grade level classifications are figured by the number of credits passed, not by the age of the student.

VEHICLES / STUDENT DRIVERS

Students must register their vehicles with the Principal's office and upon providing proof of insurance, will receive numbered hang tags to display in their vehicles at all times the vehicles are parked on school grounds. The initial hang tag will be free of charge, but due to the labor, paperwork, and cost of the product involved in issuing a second or subsequent hangtag, there will be a \$5.00 fee assessed for each. Driving to school is a privilege granted by the Board of Education. It is illegal for students to transport weapons, drugs or alcohol in their vehicles. All vehicles parked on school property may be searched as deemed necessary by the administration or by appropriate law enforcement personnel. Students are expected to abide by and obey all traffic laws and regulations set by the State of Missouri and policies of the school. Students are required to park their cars in an appropriate manner in the school lot provided for them. Violations of state law will result in a report to the appropriate law enforcement agency.

Parking Lots: Student parking is in the parking lot behind the high school. The parking spaces against the city road and sidewalk are reserved for faculty and staff. All students should park in the spaces in the middle of the parking lot or in the spaces next to Hwy 215.

The following violations may result in revocation of permission to drive to school and notifying law enforcement:

1. Driving carelessly around the school campus.
2. Driving at an excessive rate of speed around the school area.
3. Possession of alcohol, weapons, drugs in your vehicle when it is parked on school property.
4. Parking in a manner that interrupts the flow of parking or traffic in the parking lot.
5. Tampering with or vandalizing other vehicles that are parked on school property.

Students are urged to lock their vehicles and leave the parking lot immediately upon arriving at school. As a safety precaution, students are not allowed to go to their vehicles during the school day for any reason without office approval.

All students at Marion C. Early are entitled to attend school in a drug-free environment. Therefore, all students in the district who choose to drive to school and park on campus, along with their parents, must consent to random drug testing of the students.

COUNSELOR

Counselor services are available for everyone. The counselor is available for educational planning, interpretation of test scores, career or college placement information, study help, guidance with home, school and/or social concerns or any questions the student may feel the need to discuss with a counselor. Students wishing to visit the counselor should make an appointment before or after school if possible. If an appointment is made during the school day, a pass will be issued to the student

indicating the time he/she should be excused from class. Students are not to be in the counselor's office without a pass.

ILLNESS AND MEDICATIONS AT SCHOOL

Students who become ill at school will be given a pass by their teacher to go to the nurse's office. The nurse will determine if the student needs to go home. Generally, students will not be sent home unless they are running a temperature of at least 100 degrees, are vomiting, or have sustained an injury needing medical attention.

In partnership with CMH in Bolivar, we will be utilizing college student interns who are working on their clinicals. At times, students will be seen by a college student with the school nurse having the final say in all issues. If you wish to not have your child seen by a clinical intern, please opt out by signing a form in the office.

If a student must take medication at school for health reasons, he/she will need to obtain a medication form from the nurse, to be completed by the student's physician. The form is to be returned to the nurse to be kept on file. Prescription medication must be in the original container to ensure cleanliness and accuracy in administration. **All medications** must be kept in the nurse's office.

Medication will not be given unless specifically prescribed for the student by a physician. Only prescription medication will be administered or stored in the school health office. Parents must bring any such authorized medications to the school nurse if they are to be dispensed during the school day. **NO** over-the-counter medication (including cough medicine or any non-prescription medication) will be given unless so prescribed by a physician for the individual. Students having medication in their possession will be subject to disciplinary action.

EXTRACURRICULAR TRANSPORTATION

It is the intent of the Marion C. Early R-V District to provide transportation for all participants to and from extra-curricular activities. Students are required to utilize the transportation provided unless **prior** arrangements are made with the Principal and activity sponsor. Requests for alternative transportation must involve a personal visit or written notice between the parent and the appropriate school personnel. All alternate transportation to and from such activity must be with the parent or guardian.

VISITORS

Due to increased safety protocols, students are not to invite visitors to attend classes with them or visit them at school during the school day, including lunchtime. Students will be unable to leave class for the purpose of meeting with visitors, except to visit with a parent in the office.

Fundraisers from outside organizations are not allowed to take place in school.

JUNIOR/SENIOR PROM

Any Junior or Senior who is eligible to attend may invite one guest as their date. This guest may be a high school underclassman (Freshman or Sophomore), one who has graduated and under the age of 21, or a student attending another school with the prior approval of the Principal. (See school dance regulations for out-of-school guests.) Junior high students are not allowed to participate in prom.

SCHOOL DANCES

General school policies and regulations as well as other rules set by the sponsors are in effect at all school dances. Students leaving the dance venue will not be permitted to return. Students who invite out-of-school guests will observe the following regulations (**Prom & Homecoming ONLY**):

1. The guest must be under the age of 21.
2. The guest must be the student's date and adhere to the regulations that apply to students of MCE. If in violation of school rules, they will be asked to leave.
3. The student must sign the guest up in the office and complete the request form.

All extracurricular activities fall under the same general rules and guidelines for behavior as exist during the regular school day, whether at MCE or away. HS Students are not allowed to attend MS Dances and vice-versa. Middle School students must meet eligibility requirements to attend school dances.

QUEENS/PRINCESSES: Students in good standing with their class and clubs are eligible to be elected and/or chosen in any manner (i.e. donations for Barnwarming) as Queen or Princess of a dance or event.

ABSENCES AND ATTENDANCE

The normal school hours for students to be on school grounds are from 7:30 a.m. until 3:33 p.m. Students should not be on school grounds beyond this time frame unless under the direct supervision of a staff member. Classes begin at 7:50 a.m. and end at 3:30 p.m. Students are considered absent for periods not present in class, unless involved in a school-sponsored activity.

ATTENDANCE & MAKE-UP WORK

Attendance is both crucial and vital to the success of students at MCE. We also understand there are times when students cannot be at school due to specific circumstances. Listed below are some guidelines to help you better understand the attendance policy for MCE. While this list is not exhaustive by any means, you can find the full policy under the board policies tab on the district website. **Attendance/Suspensions for all after school activities, including athletics (Games and Practices).** If a student misses class(es) without being excused by the principal, the student shall not be considered eligible on that date. With prior approval from the principal the student must attend a full 4 hours of school to be eligible that day. The student cannot be eligible to participate on any subsequent date until the student attends a full day of classes without an unexcused absence. You will not be considered eligible while under suspension.

1. Reporting an absence from school is a parent's responsibility. Please make the notification the morning of the student's absence.
2. A student will be allowed a maximum of **ten (10) absences in a class period** for any reason during a semester.
3. When absent from class, it shall be the student's responsibility to meet with teachers, receive the necessary instruction and assignments, and complete the assignments within the number of day(s) allowed. If work is not completed, failure of the course could result. Students will be allowed 2 days from the date of the absence to complete assignments for each absence day to receive full credit. Past the two allowed days, the teacher's classroom late policy will take effect.
4. A student shall be permitted to make up work missed as a result of any excused absence (an exception applies if the student is OSS—if a student receives an out of school suspension, student will be permitted to make up the work missed for up to 80% credit the first OSS, 60% second OSS assigned, 40% for the third OSS assigned, etc.).
5. All make-up work that is not submitted by the two allowed days, will be a zero in the grade book on the following Tuesday when teachers update their gradebook.
6. The attendance secretary will maintain a daily record of all student absences. For purposes of granting credit, there will be no distinction between excused or unexcused absences. However, a record of reasons for absences will be kept for the Attendance Review Team (ART) to consider at a later date if an attendance appeal is necessary.

Any student that accumulates more than (10) absences in a class period during a semester (excluding school-approved absences, college visits or job shadowing) will not receive credit for that class, unless an exception is granted by the Attendance Review Team.

Late Work Policy

Meeting deadlines is a skill that will help students through their MS-HS years and beyond. We encourage students to turn in work by the assigned due date to receive full credit. When that is not possible, late work will be accepted with the following conditions:

- The late work policy will be at each teacher's discretion for their individual class. The policy will be clearly defined in the course syllabus. The copy of the syllabus will be posted and available for reference in each google classroom.
- Work that has not been submitted will reflect a 0 in the gradebook when grades are updated every Tuesday.
- No late work will be accepted past the progress report period, and will remain a 0 in the gradebook. With the possible exception of extenuating circumstances, such as a death in immediate family, unexpected long term illness, etc. *Has to be approved by the office.
- Work graded in class will not be accepted late, as the answers were given to students.
- Long term or major assignments will not be accepted late due to the length of time students knew about and had to complete the assignment. Examples: big projects, research essays, group projects, labs, etc.
- The policy that is listed in the teachers course syllabus will be the policy for that semester, and cannot be changed due to any student ineligibility reasons.
- Late work can be accepted up until the end of the current grading period if the teacher's policy allows. Any missing assignments that are not completed during the current grading period that the assignment was assigned will be put in as a zero in the gradebook.
- Teachers are expected to have their gradebooks up-to-date by the end of the day Tuesday for the previous week. Any missing assignments Late or Make-up that have not been turned in need to be entered as a 0 in order to have an accurate grade for parent portals & progress reports.**

TRUANCY

Truancy is declared when a student leaves class or school without first obtaining permission of the teacher or Principal or fails to attend school when parent/guardian and school officials reasonably expect the student to be in attendance. Absences due to truancy may carry a grade of zero in the applicable classes with no makeup privileges.

TARDIES

Tardiness is defined as a student's not being in his/her assigned classroom when the bell rings to start class. There are three (3) minutes between classes for passing. Students should plan locker visits and restroom trips so as to arrive in class on time. Any student going to class without paper, pencil, book or other necessary material may be given a tardy at the teacher's discretion. A new tardy count begins with each new semester.

TARDY PROCEDURE:

A student must be in the classroom and ready to work when the last bell rings. School begins promptly at 7:50 a.m. Students arriving after that time are tardy. Any student that arrives more than 15 minutes after the tardy bell each period will be counted as absent for that period. Also, any student who leaves more than 15 minutes before the end of a class will be counted absent for that period.

When arriving at school, a student must sign in at the office.

Students will receive 3 lunch detentions for their third tardy in the semester per class per semester. Each tardy afterward will result in subsequent consequences.

PERMISSION TO LEAVE SCHOOL

Permission to leave school during school hours must be obtained from either the Principal or Secretary. The student's parent or guardian must notify the office before the student will be granted permission to leave. Some circumstances call for the office to phone the student's parents to obtain permission for the student to leave school grounds.

A student who becomes ill shall be sent to the nurse by their teacher, where the parent will be notified if the student should be sent home. Only if the parent or their designee is home will the student be given permission to leave or be picked up at school. When a parent takes a student from school, he/she shall meet the student in the Principal's office and sign their child out.

COLLEGE VISITATION

We recognize that it is necessary for students to visit colleges from time to time as they prepare to continue their education. A form for requesting college days may be obtained from the Counselor's office. This form requires signatures from a parent/guardian, the appropriate admissions counselor from the visiting college, counselor, and principal. College visit days are reserved for senior students and shall not exceed (2) days.

SCHOOL-SPONSORED ACTIVITIES

Students who attend school-sponsored activities during the school day are not considered absent.

EXTRACURRICULAR ACTIVITIES

Students who participate in extracurricular activities will adhere to the eligibility policy adopted by the Board of Education and Missouri State High School Activities Association (MSHSAA).

PERFECT ATTENDANCE

Perfect attendance is defined as "in attendance every day, every minute, of the school year."

FINALS

Final exams will only be administered during the scheduled time. Students will not be allowed to take semester exams early unless approved in advance by administration. Make-up semester exams for excused absences will be made up at the teacher's discretion. If a course is tied to an end-of-course exam, the EOC exam counts as 10% of the semester grade.

Mobile Devices

Personal devices are not to be used or be any distraction during the school day from 7:50 am-3:33 pm.

Cell phones, smart watches, earbuds, iPads, gaming devices, and similar electronic devices are banned during the instructional day. *The only time Cell phones are allowed to be seen by students from 7:50 AM - 3:33 PM will be their designated lunch time.

- Students are not allowed to take their cell phones with them to the hallways, locker rooms, or restrooms at any time during class.

- Students must leave devices at home, in vehicles, or silenced in their bag.
- Landline phones are available in offices for parents to contact students for legitimate reasons.

Marion C. Early R-V School District reserves the right to confiscate and hold in the office for parents to pick up any personal electronic device that the students have brought into the school.

First Offense—Device is confiscated and returned to parent only

Second Offense—Device is confiscated returned to parent only and ISS

Third and subsequent offenses—Device is confiscated and returned to the parent only and the student will serve ISS / OSS as assigned by the principal.

The taking of pictures or videos, using any type of camera/device, to slander, harass, or otherwise do harm to students or staff, is strictly prohibited. Pictures/videos must never be taken where there is an expectation of privacy (restrooms, locker rooms, confidential meetings, etc.).

Marion C. Early High School will not be responsible or liable for damage, loss, or theft.

STUDENT CODE OF CONDUCT

The Student Code of Conduct is designed to foster student responsibility, respect for others and to ensure the orderly cooperation of the district schools. In determining the consequence for acts violating the standard of conduct, the responsible school official will examine the facts and circumstances surrounding the case. No code can be expected to list each and every offense that may result in the use of disciplinary action; however, it is the purpose of the code to list certain offenses which, if committed by a student, will result in the imposition of a specific penalty. Administrators may establish further rules and regulations and, if needed, deviate from the handbook for the maintenance of proper school discipline. Students should be aware the order of consequences will not always be followed due to the many different circumstances surrounding each individual case, previous incidents and warnings, student attitude, and extenuating circumstances. This code includes, but is not necessarily limited to, acts of students on district property, including playgrounds, parking lots and district transportation, or at a district activity, whether on or off district property. The district may also discipline students for off-campus conduct that negatively impacts the educational environment, to the extent allowed by law. In arriving at the consequences or discipline to be imposed, consideration shall be given to:

- The maturity level of the student
- Attitude of the student
- Any extenuating circumstances
- The seriousness of the act
- Prior incidents of misconduct
- Intent of the student
- Degree of involvement of the student
- Appropriateness of the discipline

Although not indicated in the individual consequences, a disciplinary report will be sent home with the student any time a student is involved in a discipline problem, unless it is a minor infraction. Also, a parent conference may be required at any time to discuss a particular problem. Students involved in misconduct may lose the privilege of participation or may be denied extracurricular activities. Listed below are disciplinary actions or consequences that may occur:

- Conference and parent notification
- Referral to the counselor's office
- Detention
- Suspension of bus privileges
- In-school suspension
- Out-of-school suspension
- Expulsion
- Restitution/Payment of replacement cost

DRESS CODE

As an educational institution, the school has a responsibility to help students learn what is expected of them by society in areas of behavior, dress, and hygiene. It is important that students learn how to adhere and follow dress, grooming, and hygiene expectations that are set in place. All dress code procedures will adhere to the health and safety codes and comply with applicable law. No procedure will impose dress and grooming rules based on gender in violation of Title IX. Dress that materially disrupts the educational environment will be prohibited.

The Board of Education expects student dress and grooming to be neat, clean, and in good taste so that each student may share in promoting a positive, healthy, and safe atmosphere within the school district.

Student dress and grooming will be the responsibility of the individual and parents/guardians, within the following guidelines:

1. Dress and grooming will not disrupt the educational environment.
2. Dress and grooming will keep with health, sanitary, and safety requirements. Class activities that present a concern for student safety may require adjustments to dress for the class period.
3. All students must wear shoes, boots, or other types of footwear.
4. Clothing, jewelry, and/or other apparel should not have profanity, vulgarity, obscene language, drug, alcohol, sexually suggestive phrases, or racially inflammatory or verbally harassing material.
5. Any headgear that is deemed a distraction to the educational process will not be allowed to be worn in the building. Headgear could include and not be limited to: (hats, caps, hoods, stocking caps, bandanas, sunglasses). Final determination will be made by the MS/HS office.
6. Halter tops, tube tops, tops that allow bare midriffs, backless tops, fish-net mesh style tops, strapless tops, or single-strap tops shall not be worn. Straps on tank tops should be at least 1" wide.
7. Students' shorts and skirts must be a suitable and appropriate length. Loose fitting and/or baggy clothing, and jeans with revealing holes are all prohibited.
8. Undergarments must remain covered and not visible at all times.
9. Wallet chains/cords, neck chains/cords, clothing chains/cords, or studded collars/bracelets shall not be worn at any time on school property.

Dress Code Violations:

1st Offense: Warning/Clothes (t-shirt, pants) may be provided / Parent contact

2nd & Subsequent Offense: Parent Contact / Clothes Provided / Lunch Detention or ISS

When, in judgment of the principal, a student's appearance or mode of dress does not comply with the above criteria, the student may be required to make modifications. Students violating the dress code will be asked to change into suitable clothing that may be provided by the school for the day. If necessary, parents will be contacted to pick up the students and/or supply appropriate attire. Teachers will determine appropriate attire for P.E, FACS, Shop, Band, and Drama classes. Exceptions for health / religious reasons will be considered on a case-by-case basis.

Example of Appropriate Dress

SCHOOL BUS TRANSPORTATION

Bus transportation is a school service. Students are responsible to the driver at all times and are expected to be courteous and considerate to other students as well. When buses are being loaded, students are to form separate lines for each bus. No student may board the bus except as directed by the driver. Any misconduct occurring on the school bus is subject to the consequences listed for such conduct in this regulation, in addition to suspension or loss of riding privileges. The rules of conduct and consequences listed have been established to maintain safe passage of students riding buses to and from school. The complete list of transportation rules may be viewed in board policy JFCC-AP(1). These rules apply while students are on the bus and at or near bus stops. Certain discipline problems may occur on a bus that are serious enough to cause the principal(s) to disregard a step-by-step approach and take more significant action to resolve the problems. Violations such as smoking on the school bus, using profanity, fighting, use / possession / sales of any form of drugs or alcohol, refusing to follow reasonable directions of the bus driver, and other types of serious misbehavior may result in immediate and/or permanent suspension from riding the school bus. The sequence of consequences may be changed, and other rules may be established as determined necessary by school administrators to ensure proper safety standards. Again, any conduct on the school bus is subject to consequences listed in other sections of this regulation.

- 1st Offense:** A warning notice describing the incident will be given by the Principal. If the offense is severe enough, the student may be suspended from riding the bus.
- 2nd Offense:** A second offense will result in suspension of bus riding privileges for a minimum of three (3) days. The length of bus suspension will be in relation to the seriousness of the offense.
- 3rd Offense:** The student will be suspended from riding the bus for a minimum of four (4) days, up to twenty (20) days. Total number of days of suspension will be determined by the seriousness of the offense. Suspension will carry over to the next school year if it exceeds the number of days remaining in the second semester.

Consequences for any offense on the bus after the third (3rd) offense will be at the discretion of administration.

STUDENT DISCIPLINE

The Student Code of Conduct is designed to foster student responsibility, respect for others, and to provide for the orderly operation of district schools. No code can be expected to list each and every offense that may result in disciplinary action; however, it is the purpose of this code to list certain offenses that, if committed by a student, will result in the imposition of a certain disciplinary action. Any conduct not included herein, any aggravated circumstance of any offense, or any action involving a combination of offenses may result in disciplinary consequences that extend beyond this code of conduct as determined by the principal, superintendent and/or Board of Education. In extraordinary

circumstances where the minimum consequence is judged by the superintendent or designee to be manifestly unfair or not in the interest of the district, the superintendent or designee may reduce the consequences listed in this policy, as allowed by law. This code includes, but is not necessarily limited to, acts of students on school property, including playgrounds and athletic fields, parking lots and school transportation, or at a school activity, whether on or off school property.
