Please contact Nurse Stephanie McMillen with any questions or concerns.

MCE Wellness Committee is an important part of Marion C. Early School District. We are a committee that looks at all the different areas of Wellness. We look at not only physical health but mental and emotional wellness as well. We need your help to help make MCE the Best we can. We are looking for a well rounded group of people such as students, staff, administration, parents, and community members. Our plan is to meet 1-3 times a year. We will discuss what has been working and the areas that need some improvement.

The Wellness Committee is open to anyone. If you are interested in joining please contact Nurse Steph.
