As some of you know we are planning a Spanish Exchange Program for the May term at West Harrison CSD. This means that some students from Spain will be coming from April 4 to April 16, 2024. We are looking for families that would be willing to host a student in their home. This is due to the fact that there are a few more students coming here than there are going to Spain, so we can't make do with the families of the students that are going. If you or anyone you know is interested please let Mrs. Palmero know. Thank you!

We are hosting a fundraiser for our Spanish Exchange Program in April and May. On Wednesday September 27th there will be a free will donation dinner provided during conferences. Walking tacos will be available from 4-6:30. Please come join us and help support our exchange program with Spain! Thank you.
