As some of you know we are planning a Spanish Exchange Program for the May term at West Harrison CSD. This means that some students from Spain will be coming from March 3rd to March 13th, 2024. We are looking for families that would be willing to host a student in their home. This is due to the fact that there are a few more students coming here than there are going to Spain, so we can't make do with the families of the students that are going. If you or anyone you know is interested please let Mrs. Palmero know. Thank you!
