Grandview University has a college Archery Program and are currently seeking athletes for fall of 2024. They would like the opportunity to visit and talk to potential student athletes about Grand View University, and the Shooting Sports it has to offer. If you would be interested in speaking with them if they can make it to campus, please email Mr. Maasen by Friday, November 17th. I don't have any further info about this opportunity at this time so if interested you will just have to sign up and come to the visit if they make it.

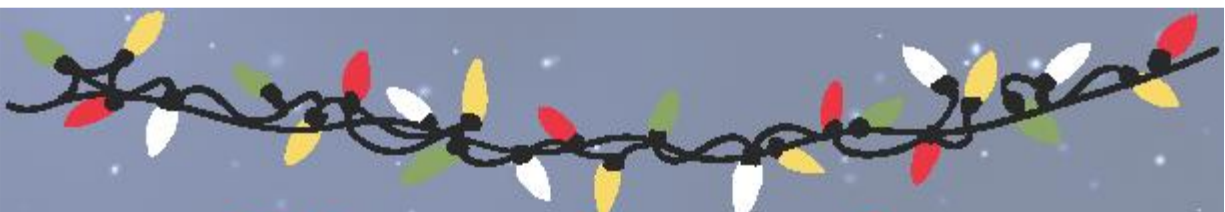

As some of you know we are planning a Spanish Exchange Program for the May term at West Harrison CSD. This means that some students from Spain will be coming from March 3rd to March 13th, 2024. We are looking for families that would be willing to host a student in their home. This is due to the fact that there are a few more students coming here than there are going to Spain, so we can't make do with the families of the students that are going. If you or anyone you know is interested please let Mrs. Palmero know. Thank you!

Kiwanas K-Kids Club Christmas Toy Drive!!

Dear WH Families,

Our Kiwanas K-Kids Club Members (3-5 graders) would like to have your help by participating in a local Christmas toy/stuffed animal drive. Do your children have toys or stuffed animals that they no longer play with?? If they are clean and in good shape another child would really enjoy them. Our Kiwana Club Leader will pick up the toys and take them to our local food bank. You may send your donations at any time, but please have them to school by December 5th! Thank you so much for your generosity!

Sincerely,
Kiwanas Club Members
