SCHOOL NEWS

Kindergarten Pre-Registration

Pre-Registration for the 24-25 school year opens on February 5th and closes on March 1st. Families of incoming K students are asked to please visit the [Memorial School Kindergarten Registration page](#) to access this short pre-registration form. Families will be asked to provide your name, your child's name, contact information and a non-binding selection of either FDK or HDK.

Pre-registration is essential as it gives us the ability to communicate via email with you, sharing reminders and updates while also assisting us with planning; giving us a general idea of numbers for each of the programs.

Incoming K Parent Information Webinar (Tuesday, February 6th)

On Tuesday, February 6th at 6:30 PM, we will be holding an informational webinar for parents/guardians of K eligible students for the 2024-2025 school year. During this meeting you will hear about our kindergarten program, registration procedures, tuition, and kindergarten screening. We hope that you can join us, but if not, please note that the webinar will be recorded and posted on the Kindergarten Registration Page on Wednesday, February 7th.

Please click this URL to join.

PreK-5 Spirit Day - February 14th - Show Your Love ♥

On February 14th, we will be having our next PreK-5 Spirit Day. Our theme is "Show Your Love" and our goal is to help stock the Medfield Food Pantry with items that are greatly needed at this time of the year. Please consider donating any of the following items. A drop box will be available in the Memorial lobby. Thank you for your help!

- Tuna (solid white, in water)
- Ensure or Boost (vanilla or chocolate)
- Jelly/jam (12 or 18 oz)
- Creamy peanut butter
- Individually portioned snacks

Digital Citizenship Update

Grades K & 1 are having a blast with our second trimester Digital Citizenship lessons!

[CLICK HERE](#) to learn more about the lessons and see family engagement resources or browse our [PK-3 Technology Site](#) for more technology information.

Did you see the parent webinar on Internet Safety?

Our Elementary Technology Integration Specialists went over our Digital Citizenship curriculum and shared family resources for you! If you missed it check it out [HERE](#)

SPECIALIST SPOTLIGHT

News from PE/Wellness

Hello from the Gym!

We want to welcome Mr. Kelly who is going to be student teaching in physical education and health with Mrs. Gelinas and Mr. Grace for the next few months. He is a graduate student from BU and we are so excited that he is here and working with our students at Memorial. The gym has been full of movement the past few weeks. We were able to get out in the snow after the last storm to go sledding, make snow forts and work together with our sleds and shovels. Next, students did some animal walking, rolls and balances in our gymnastic unit. This week we have started our striking unit and will be practicing with light volleyballs this week!

Health classes discussed our hearts and found three places on our bodies that we can feel our pulse. It is easier to feel the pulse when we are exercising, so we did some basic exercises to get our heart rates up and tried finding our pulse. Kindergarten students used their 5 senses to learn about how our brain sends messages to our whole body. This week we start our dental health unit and will be learning all about taking care of our teeth!
