Student Placement Process - Thank you to all who were able to attend yesterday's Student Support Series Webinar regarding the student placement process for the upcoming school year. For those who were unable to attend or who would like to revisit the webinar, please click [here](#).

Parental Input Narratives

As part of the placement process, families will be invited to provide input. Please be on the lookout on Monday, April 1st for an email containing information about the parent narratives (acceptance dates, content, etc...) for the 24-25 school year.

Absent/Tardy Letters

The elementary principals are preparing to send out Term 2 absent/tardy letters. As noted in [MPS Elementary Handbook](#) families of students who are absent or tardy (6 or more unexcused times per term) will be contacted by the principal.

Sample Excused Absences

1. Medical/dental appointments or verified illness (notification from practitioner due within 5 school days after the absence, and must contain dates of illness/visitation)
2. Religious holiday
3. Chronic illness document by a treatment provider/primary practitioner
4. Suspension
5. Extenuating circumstances determined by the administrator

Sample Unexcused Absences

1. Family vacations
2. Absences resulting from competitions, fatigue and/or other activities
3. Illness not requiring a doctor's attention

The Department of Early Childhood and Secondary Education accountability system measures performance against targets for chronic absenteeism indicators. According to the Department of Elementary and Secondary Education, "*A student is considered chronically absent if they miss 10% or more of their days in membership. In a typical 180-day school year, that is equivalent to missing 18 or more days of school.*" If you receive a letter and would like to further discuss with Dr. Billsborough, please reach out.
