Annual School Report Card Climate Surveys

Dear Parent and/or Guardian(s),

We would like to know what you think about our school! Please take a few minutes to provide your feedback in our Annual School Report Card Climate Survey. The information from this survey will assist us in making school improvements for the upcoming school year. Additionally, results from the surveys may be collectively reported on our School Report Card.

This year the survey is accessible through your Parent Portal. You can access this survey using any computer and/or mobile device. Directions to access the survey are attached. Please complete the survey by **April 12, 2024**.

If you have multiple children at one school, you only have to complete one survey for that school. If you have children at different schools, please complete a survey for each school that your children attend.

If you have any questions or need additional assistance with accessing your Parent Portal, please contact your child's school. Your time and effort in completing this survey is greatly appreciated!

The survey will close on April 12, 2024
