

Dear guardians and students,

We are excited to host our first Annual Valentine's dance and hope to see your child there! We want all of our students to have an amazing time creating memories with their friends. We can't wait to see them all dressed up and ready to dance the night away. However, as with any school event, safety is our utmost importance and we have a few things set in place to ensure everyone will be safe and have fun.

1. Only Center students will be able to attend.
 2. Students' phones will be for emergency use only and will not be allowed to be out for no other reason.
 3. All parents must come in the lobby and get a premade transportation ticket for the child when you drop him/her off.
 4. All students will be dismissed through car rider line. We will put your child in the car. NO walk ups will be allowed. Parents must have transportation ticket to pick up their child.
 5. All school rules still apply and students are expected to follow them.
 6. We are not responsible for phones or personal belongings so please be mindful of what your child brings.

Any questions or concerns, please contact us!

Thanks,

Fourth Grade teachers
