Dear Potential Students and Families,

The North Little Rock Center of Excellence (COE) is a public charter school housed inside the high school building. The COE began seven years ago, yet many people may still have questions about us and what we do differently. We are **ALWAYS** delighted to share our story with others. If you would like to know more about the COE, please join us on **March 6, 2024, from 5:30 - 6:30 pm in the North Little Rock High School cafeteria**. Please enter through the main office door, which faces on West 22nd Street.

In the meeting, I will be sharing core information and answering any questions you may have about our outstanding school. The COE has been and is a great fit for many of our community's diversely-gifted secondary students. If you are interested in discovering if the COE is the right fit for your student, please attend the meeting. The application forms for 8th graders are requested by March 8th. Please let me answer any questions you might have regarding the COE.

[If you would, please RSVP at the following link.](#)

If you are not able to make the meeting, we will host the meeting also on Facebook Live at North Little Rock Center of Excellence. If you would like to meet in person, I would be happy to accommodate your request. Please call the office at (501) 975-3895 or email me at [whisnantk@nlrsd.org](mailto:whisnantk@nlrsd.org) to set up an appointment.

Thank you for choosing the NLRSD!

I look forward to seeing you there.

Karla Whisnant  
Principal
