Dear Parent/Guardian,

Hutsonville CUSD #1 will once again offer a full day kindergarten program during the 2024-2025 school year with an option for a half day A.M. program for parents who elect not to have their child participate in the full day program. To adequately plan for next year, we would like to know how many students will opt for the half day program. Parents who request the half day program may elect to have their child stay for the afternoon session on special activity days (i.e. field trips, school assemblies, music programs, practices, etc.). Specific instructions for the special day requests will be announced as those circumstances arise. We are enclosing a supply list and a schedule of daily activities (one page, please see both sides) so that you will be able to decide the benefit more easily as to whether you will choose the full or half day. We do ask that once you decide, no changes be made until the end of the first quarter (end of October 2024). This will allow us to schedule for transportation, supplies, and other necessary material for implementation. We would like this commitment to be made by **Friday, March 22, 2024**. Thank you, in advance, for your help and cooperation. If you have specific questions, please contact the grade school. Mrs. Smith, principal, would be happy to answer any questions that you may have. Best wishes to you and your child as you both enter into this major milestone in his or her life.

Sincerely,

*Travis Titsworth*
