January 15, 2024

Dear Parents or Guardians,

The weather this winter has caused us to miss more school than usual. I do not take making this decision lightly and look at a variety of factors. With the number of missed days, we will be considering using AMI (Alternative Methods of Instruction) on future days that we miss due to weather. Mound City R-2 Administration and Staff will provide information lining out expectations for students and parents during such days (Google Classroom, Google Meets, Take Home Packets, etc.).

The reason for AMI is to count the day towards the required hours completed by the end of the school year. Not using AMI could result in going on days such as Presidents Day, March Madness, or even Easter Break. When using these days, students are expected to participate in ALL assignments, etc. in order to be counted for attendance that day. **If students do not participate, they will be counted absent towards their overall attendance record.**

The Mound City R-2 School District will do everything possible to provide information to parents/guardians as soon as possible to help plan the day. If you have any questions, do not hesitate to contact me via email at korey.miles@mndcty.org.

Sincerely,

Mr. Korey Miles
