2023-24 Replacement Costs

Broken / Missing Charger

Dell 3100 or 3110 Charger

If your charger is frayed/damaged or missing, the replacement cost is approximately \$45.

Screen Cracked / Damaged

Dell 3100 Touchscreen

If your touchscreen is cracked / black & white lines / damaged, the replacement cost ranges from \$85 to \$100.

Dell 3100 NON-Touch

If your touchscreen is cracked / black & white lines / damaged, the replacement cost is approximately \$45-60.

Dell 3110 Touchscreen

If your touchscreen is cracked / black & white lines / damaged, the replacement cost is approximately \$100.

Keyboard Damaged

Dell 3100 & Dell 3110

If your keyboard or individual keys have been damaged by negligence, food, or liquid, the replacement cost is approximately \$30.

Motherboard

Dell 3100 & Dell 3110

If your motherboard needs replaced (charging port and audio jack) you may be subject to replacement costs of a new device, approximately \$250-290.

Touchpad Damaged

Dell 3100

If your touchpad has been damaged by food or liquid, the replacement cost is approximately \$45.

Dell 3110

If your touchpad has been damaged by food or liquid, the replacement cost is approximately \$65.

Case Damaged

If your case is damaged by food, liquid or negligence, replacement cost is \$30.

Stickers

No personal stickers, no exceptions. If Chromebook is turned in with stickers, or residue, you will be charged \$10 per sticker. (First Fix free not applicable).

Blatant damage will be at the discretion of principals/technology staff, charges up to the cost of a new device.
