

Hello Parents!

Spring is right around the corner and this year we will be gearing up for baseball and softball a little earlier. With the addition of Dylan Leu and AD Mendoza as the new baseball and softball programmers change is in the air and we are excited to take our Community Recreation programs to a new level this year.

Registration for Tee-Ball, Minor League, and 10u-14u baseball and softball is now open and will run through **February 6<sup>th</sup>**. It is our desire to have 100% of registration complete by this date.

New This Year: We have now combined league fees and uniforms into one convenient payment. We have also made paying online available via PaySchools Central!

As a parent you need to:

1. Fill out the Registration Form: [HERE](#)
2. Make your online payment: [HERE](#)

\*You will need to fill out a separate registration form for each player

\*\*A 4.5% convenience fee will be charged for an online payment. If you do not wish to pay this small fee please feel free to drop off a personal check (made payable to: Pettisville Local Schools) in the Pettisville School front office by **February 6<sup>th</sup>**.

As a district we want to be transparent and we want you to know exactly where your money is going. Below are the 2024 fees for each age group and what they cover.

#### **2024 Fees:**

##### **Tee Ball and Minor League - \$25.00**

- Fee Includes
  - Dri-Fit T-shirt jersey, hat, and will help offset field maintenance expenses

##### **10u -14u - \$70.00**

- Fee Includes
  - Jersey, hat/visor, league fees, and will also help offset umpire costs as well as field maintenance expenses

As we stated above, exciting change is in the air and to help prepare you for this upcoming season we want to invite you to a mandatory meeting for 10u-14u parents **on February 6<sup>th</sup> in the Pettisville Jr High gym at 7:00pm**. In this meeting you will have the opportunity to meet the new programmers, learn about the future of Pettisville Summer Rec, be informed of new upcoming changes for the season, and get some handy recommendations for buying new equipment and gear for your kids.

We look forward to seeing you there and if you have any questions at all please feel free to contact us!
