Mr. Timothy Carroll, Principal

January 23, 2024

Good Morning,

I am writing today to invite your child, \_\_\_\_\_, to participate in a free, grant funded after-school tutoring program focused on improving math skills. The program will be taught by IMMS Math teacher Mrs. Sorino and take place once per week after school from 2:30 - 3:30 for the next four months. Parent pick up for the program will be at the back door near the gym promptly at 3:30.

The tutoring groups will all be less than 5 students each and begin the week of January 29, 2024. We hope that you will strongly consider signing your child up for this amazing opportunity. Please contact me if you have any questions. To sign up for the program, simply complete the form below and send to the IMMS Main Office care of Mr. Carroll.

Sincerely,

Tim Carroll
