 - Tucker's Law adds to the duties of a SHAC the requirement to recommend to the local board of trustees the appropriate grade levels and curriculum for instruction in the dangers of opioids, including addiction to and abuse of synthetic opioids such as fentanyl. Also adds a new TEC which requires each school district to annually provide students in grades 6-12 research based instruction on Fentanyl abuse prevention and drug poisoning awareness.
 - Must include the following
 - Suicide prevention
 - Prevention of the abuse and addiction to fentanyl
 - Awareness of local school and community resources and any processes involved in accessing those resources

- Health education that includes information about substance use and abuse, including youth substance use and abuse
- The Tucker Project
 - TXAF.org is developing a curriculum but it is not ready at this time. As soon as it is available we can recommend it to the board. It should be a free curriculum.
- We will have a guest speaker this year and will wait until the Tucker Project curriculum is complete.
- Employee Wellness Event
 - We will start reaching out to the local businesses in our community to participate. Most likely will be Feb 16th.
- Establishing priorities
 - We went over the survey as a group and are satisfied with most areas. We will talk about the health curriculum in the next meeting.
- Executive Session
 - No executive session
- Adjourn
 - Meeting adjourned at 5:55
