

Mid-Term Q&A

Q: How much are the mid-terms worth???

A: 5% of a student's overall grade.

Q: When are mid-terms taking place????

A: They will be taking place the week of **January 22-January 26 with exams now starting on Tuesday, January 23.**

Q: What will the schedule look like????

A: Students will take the exams in their **normally scheduled 80-minute classes.** There will be no special schedule.

Q: **So...wait...how is this working?*****

A: Since we had *two* snow days last week, we have decided to push exams back to start on Tuesday, January 23. The schedule of when students take their midterms in class will now be:

- Monday, January 22: Normal B-Day (review, etc)
- Tuesday, January 23 (exams start!): A-Day; Blocks 1 & 3/4
- Wednesday, January 24: B-Day; Blocks 1 & 3/4
- Thursday, January 25: A-Day; Blocks 2 & 5
- Friday, January 26: B-Day; Blocks 2 & 5

Q: What happens if I am absent?

A: Monday, January 29 and Tuesday, January 30 are make-up days. If a student is absent or needs to make up an exam, they can take it in class during that time.

Q: Who is exempt?

A: The only students who are exempt are those AP students who have signed up for AP exams and our on-campus (at Lakeland) Dual Enrollment courses. Teachers will communicate that information directly.
