

## **Calling All Charger Wrestling Fans!**

Group ticket sales for state wrestling (February 15-17 at CHI Health Center Arena in Omaha) are now available. Riverside will be placing one group order. If you're wanting to attend, we highly encourage you to participate in the group purchase to secure tickets for your desired sessions and allow the ticket handlers to seat as many of our Riverside fans together as possible.

### **Here's how it works:**

: Pick up an order form from either school office or print one [here](#)

: Return the form and your payment to either school office by Tuesday, Nov. 28

: When tickets are assigned, they will be transferred to you via the email address you provided on your order form.
