Dear Parents / Guardians,

Pana High School is currently placed on a lockdown after a note was found on a high school bathroom stall that read, "I am going to shoot up the school today." The Pana Police Department has been contacted and is currently assisting the school administration with an investigation. Students are safe at this time.

We will provide more information as it becomes available. We are grateful to the Pana Police Department for their assistance in this manner. Everyone is currently safe. As always, the safety and the well-being of our students and staff is our number one priority.

Sincerely,

Jason J. Bauer
