

Long Lake

CENTRAL SCHOOL DISTRICT
20 School Lane, Long Lake, NY 12847

**Announcement of Vacancy for Superintendent of Schools/
Principal for the Long Lake Central School District**

Our Mission

Long Lake Central School, with the support of families and the community, will provide a safe and challenging environment which will provide an opportunity for students to achieve academic success and realize their full potential as creative and responsible citizens in the Adirondacks and the wider world.

Our District

Long Lake Central School is a PK-12 public school that provides a supportive, engaging, and enriching learning and working environment. Our small class sizes offer students the opportunity to receive individualized instruction in a way that is not possible in a larger school setting. Our students participate in extracurricular activities and athletics and are offered a wide-range of opportunities for travel during their educational experience. Past trips have included Washington D.C., Boston, New York City, Niagara Falls, and other locations.

Our professional and talented faculty work in dynamic ways to create learning opportunities that mix grade levels, disciplines, and learning styles.

At Long Lake Central School, we are proud of the work we do and all that our graduates have accomplished. We are situated in one of the most beautiful landscapes on earth, the Adirondack Park. We are supported by a community that finds great value in a small school education and ensuring that our students and families have a safe place to live, learn, work, and thrive. We are a place that promotes open-minded, hard-working people who are equipped for life.

Our Community

Small town, friendly folks

Located in the heart of the beautiful Adirondack Mountains, Long Lake is a tight-knit rural community with a long, proud history. The region features a plethora of opportunities for outdoor recreation, starting with the 14-mile-long lake around which our community is nestled. It's a haven for boating, swimming, paddling, fishing, cross-country skiing and snowmobiling, with an abundance of hiking trails to choose from.
