

2024 JENNIE-O SCHOLARSHIP PROGRAM

Jennie-O is offering more than \$60,000 in continuing education scholarships to its team members' children who are graduating from high school in 2024 (as well as team members themselves who are graduating from high school this year). Details on the scholarships being offered are outlined below. The postmark deadline to submit applications is **March 8, 2024**.

\$6,000 Golden Excellence Scholarship *(paid out at \$1,500 per year over four years)*

- ✓ Up to two scholarships may be awarded.
- ✓ Must be a graduating high school senior.
- ✓ Must be the child* of a full-time team member.
- ✓ Must have a "B" grade point average in high school and provide an ACT/SAT score.
- ✓ Can major in any field and must plan to attend a four-year college full time to obtain a bachelor's degree (it is acceptable for an applicant to attend a two-year community/junior college with plans to transfer to a four-year college).
- ✓ Recipient selection is based primarily on academics while taking into consideration the written essay and letters of recommendation.
- ✓ Scholarship payments are made in \$1,500 increments for four years. Five years can be used to collect the scholarship dollars. The initial scholarship payment will be made upon receiving proof of enrollment from the educational institution to be attended by the scholarship recipient.
- ✓ To receive the scholarship on a continuing basis, recipients must maintain at least a "B" grade point average. Recipients who do not maintain a "B" grade point average are paid a lesser amount based on their grade point average.
- ✓ Jennie-O reserves the right to terminate any scholarships awarded at its discretion.

\$1,000 Continuing Education Scholarship *(one-time payment; not renewable)*

- ✓ Up to 50 scholarships are available to graduating high school seniors.
- ✓ Must be the child* of a full- or part-time team member; or be a team member yourself.
- ✓ Up to 3 of the 50 available scholarships are earmarked for children* of Jennie-O growers (contract/independent).
- ✓ Applicants can attend any college or vocational/technical college and can major in any area.
- ✓ Must carry at least 6 credits per semester. Part-time students (less than 12 credits per semester) are only eligible for \$500.
- ✓ Recipient selection is based on an overall evaluation of academics, written essay and letters of recommendation.
- ✓ Jennie-O reserves the right to terminate any scholarships awarded at its discretion.

To be eligible for a scholarship, the applicant must meet both of the following criteria: 1) live with the team member who is providing the applicant with the majority of their financial support. If the applicant does not live with the team member, the team member will need to provide documentation that they provide the majority of the applicant's financial support; AND 2) applicant must be related to the team member in one of the following ways: natural born child, legally adopted child, stepchild, or the team member is the legal guardian of the applicant. In cases of legal adoption, legal guardianship, and stepchild relationships, legal documentation will be required to verify eligibility. **The application will be disqualified if any required documentation is not provided.*

NOTE: Individuals who apply for more than one of the scholarships listed above can only be chosen as a recipient for one of them. If selected as a recipient for more than one scholarship, the scholarship with the highest dollar value will be awarded. This includes recipients of the Hormel Foods Charitable Trust Scholarship who applied as juniors in high school, but it does NOT apply to recipients of Hormel Inspired Pathways scholarships (for more information on this program, go to HormelInspiredPathways.com).
