

Important Notice: Food Assistance Available Due to Potential Government Shutdown Impact

Dear Cheyenne Public Schools Parents and Guardians,

We understand the uncertainty and potential hardship a government shutdown can cause for many of our families. Of particular concern is the possible delay or absence of SNAP benefits, which are currently scheduled to be issued around November 1st.

We want to assure our community that we are here to support our students and their families through this challenging time.

Local Support and Resources

In the event that SNAP benefits are *not* released as scheduled, the Cheyenne Public School Food Bank has partnered with several generous community members to ensure our families do not face food insecurity.

We are ready to provide food assistance to families in need who may be affected by the potential disruption in benefits. This is a temporary measure to help bridge the gap if the shutdown impacts your essential resources.

How to Request Assistance

If you anticipate needing food resources for your family due to a government shutdown affecting your benefits, please reach out immediately. All inquiries will be handled with the utmost discretion and confidentiality by the Cheyenne Public School Counselor Dixie Collins.

You can contact Dixie to request assistance or get more information by:

- **Emailing:** dixie.collins@cheyenne.k12.ok.us
- **Calling:** 580-497-3371, Extension 229

We encourage you to contact us as soon as possible so we can effectively coordinate the distribution of resources.

Sincerely,

The Administration of Cheyenne Public Schools
