School Report Card and ESSA School Index

The state will be releasing ESSA scores/report card grades in late September- stay tuned!

School-wide Planning- Title I Status

Schools with large concentrations of students enrolled in the free/reduced lunch program are eligible to receive Title I funds to assist in meeting students' educational goals. In order to qualify for school-wide status, 40% of students must be enrolled in the free/reduced lunch program.

The purpose of the Title I program is to ensure **all** students receive a free and equal opportunity to obtain a high quality education and reach proficiency on state academic assessments.

School-Wide versus Targeted Schools

Ten components of school-wide status:	Strategies to increase parent involvement
Comprehensive needs assessment	Transition plan
School-wide reform strategies	Teacher participation in assess. decisions
Instruction by highly-qualified teachers	Strategies to address areas of need
Strategies to attract highly-qualified teachers	
High quality and ongoing professional development	
Coordination/integration of local, state, and federal services and programs	

How does Title I help Westwood?

Title I enables us to:

- ❑ Hire Instructional Facilitators, Instructional Assistants, and Point in Time Interventionists to work with struggling students.
- ❑ Provide remediation materials.
- ❑ Provide additional literacy books and materials in classrooms.
- ❑ Provide math materials to support remediation.
- ❑ Provides additional PD, training, for teachers to better enable them to support students.
- ❑ Have funds to increase family engagement- **ideas for use of these funds?**
