

Hawk Happenings

Family Edition

December 8, 2023

Winter Weather Gear

Please remember to send snow pants, boots, hats, mittens, etc. each day as we will go outside whenever the temperature allows. Students should also have a pair of shoes they can wear inside. It is helpful to have these items labeled with your child's name.

School Closure Notifications

Delays to start time or closing of school is communicated via Remind, Facebook, and several TV news stations. If you have not signed up for the school wide Remind text program, please visit rmd.at/heshawks23 to sign up. Our school Facebook page can be found online at: facebook.com/harringtonelem

With a two-hour delay:

- Student drop off is between 9:30-10:00.
- Classes start at 10:00 AM.
- Breakfast will not be served and there will be no snack cart.
- Lunch will be served at the regular time.
- School dismissal time remains the same.

In the event of an unexpected early release, please have a plan for your child. There is no EdGE After-School programming on early release days.

Student Absences

With the onset of cold and flu season, students may be absent due to illness. Upon return to school, please provide a note stating the date(s) of the absence, the reason, and parent/guardian signature. Students with several consecutive absences due to illness may need a doctor's note. If attending a medical/dental appointment, please notify the school with a note so we can excuse the absence. If a student is absent during the school day, they cannot attend after-school events unless it is a prior approved excused absence due to a medical/dental appointment.
