Mission Statement:

The purpose of the Arcadia-Loup City athletic cooperative is to provide a comprehensive and balanced athletic program that will provide more opportunities and experiences for our students that neither school may be able to provide individually.

Statement of Philosophy:

A comprehensive and balanced athletic program is an essential complement of the basic program of instruction. The athletic program should provide opportunities for students to further develop interests and talents in sports and other health-related areas. The opportunity for participation is a privilege that carries with it responsibilities to the school, to the sport, to the student body, to the communities, and to the students themselves.

While Arcadia-Loup City takes great pride in winning, it does not condone "winning at any cost" and discourages any and all pressures that might tend to neglect good sportsmanship and good mental health. Participation in these activities should provide many students with a lifetime basis for personal values, and for work and leisure activities.

The interscholastic athletic program shall be conducted in accordance with the existing School Board policies, rules, and regulation. At all times, the athletic program must be conducted in such a way so as to justify it as an educational activity. Athletics play an important part in helping an individual student develop a healthy self-concept as well as a healthy body. Athletics add to both schools' spirit and help all students and spectators develop pride in their schools.

Every effort will be made to support the athletics programs with the best facilities, with the necessary equipment, and with the most qualified staff available. The ultimate goals of the sports should be:

1. To realize the value of participation including, but without overemphasizing, the importance of winning.
2. To develop and improve positive citizenship traits among the program's participants.

Cooperative Advisory Committee:

A cooperative advisory committee will consist of two (2) board of education members from each district and the superintendents from each district. The advisory committee will meet on the Wednesday following the state volleyball tournament, two Wednesdays after the state boys' basketball tournament, and the Wednesday after the state track meet if no Joint Board Meeting is planned for that year, or as agreed upon by both districts. The advisory committee will take no action, but will provide recommendations for policies, rules, and procedures to be approved through each individual district's board of education. A joint board meeting will be held each June for discussion on this handbook and improvements that can be made to the co-op.

Cooperative Information:

- Official School Cooperative Name: Arcadia-Loup City
- Official Cooperative Mascot: Rebels
- Official Cooperative Colors: Red, Black, and White
- Official Fight Song: Forward Rebels

Sports and Activities Included:

The sports included in this cooperative agreement, at all levels 7-12, are:

Football	Volleyball
Boys Cross Country	Girls Cross Country
Boys Golf (high school only)	Girls Golf (high school only)
Boys Wrestling	Girls Wrestling
Boys Basketball	Girls Basketball
Boys Track & Field	Girls Track & Field
Cheerleading (high school only)	

All other activities will be conducted by each individual district according to their policies and rules.

NSAA Membership:

The cooperative and both individual districts are members of the Nebraska School Activities Association (NSAA) and agree to comply with all of its rules.

Policies:

The superintendents of each district will work together to review policies from both districts that affect athletic programs and participation. The superintendents will make suggestions for policy changes to their respective Board of Education in order to have consistency between athletic policies at each district.

Communication:

Effective communication is vital to the success of this cooperative. The administration from both schools shall meet via telephone, DL equipment, or computer software on a weekly basis in order to discuss transportation, contests, coaches, or other issues as they might arise. The superintendents at each district are charged with keeping each other, their respective boards, staff, and students, and their communities informed on anything concerning this cooperative.

Cooperative Athletic Director:

A cooperative athletic director will be hired to be the main contact for athletic purposes. This individual will be in charge of scheduling events, organizing contracts with schools, contracting officials, evaluating coaches, and recommending coaches for open positions. An Assistant Athletic Director from the other district will also be named. Job descriptions for the Cooperative Athletic Director and the Cooperative Assistant Athletic Director are in this handbook and also the Coaches Handbook. The host site principal will assist the Coop AD in finding workers needed for games, arranging for groups to run the concession stand, and making sure the facilities are ready for the game.

Selection, Evaluation, and Retention of Athletic Director:

The Superintendents from both districts will be responsible for interviewing candidates for the Head and Assistant Athletic Director positions. The Superintendents will recommend candidates to be approved by both School Boards. The Superintendents will evaluate and meet with both the Head and Assistant Athletic Directors each school year, preferably before the April Board Meeting. The evaluation will include a recommendation of employment for the upcoming school year. Recommendations for retention of these positions will be brought to both Boards during the April Board Meeting.

Fiscal Management:

The Business Manager from Loup City will act as the primary fiscal agent for the cooperative. The cost of the cooperative will be split, with Loup City responsible for 70%, while Arcadia will be responsible for 30%. A cooperative account will be held through the Loup City school district with each district contributing the prorated amount per year to cover expenses paid out of that account. The amount to be contributed to the account by each school will be determined by August 1st of each year and the deposit will be made by September 15th of each year.

The cooperative account will only be used for expenses associated with cooperative agreement athletic programs. These costs include, but are not limited to: payment for officials, entry fees, uniforms, medical/first aid supplies (e.g., athletic tape, tape cutters/scissors, thera-gesic cremes), practice balls, game balls, scorebooks, awards, hotels, and meals for state-bound teams/athletes. The cooperative will pay for expenses up to, but not beyond, state level competitions. All revenues directly related to cooperative athletic programs (gate receipts, purchased passes, entry fees, etc.) will be deposited into the cooperative account.

Payment of Officials: A list of officials will be given to the Co-op Business Manager no later than three (3) days before each contest. Checks will be made out from the co-op account to pay all officials and workers at both locations. The Superintendents, Athletic Director, and Assistant Athletic Director will meet to determine who gets paid during events held at both schools.

Money bags will be provided by the school hosting the event. Each bag will have a form included that indicates the amount of starting money and denominations. The monies collected from the activity or game will be counted by two gate people. The amounts of each denomination and totals will be indicated on the Gate Form provided with the bag. All individuals that count the money will sign the form after completing it. One copy of the form will be placed in the money bag. The locked money bag and key will be given to the host administrator. The money bag in Arcadia will be placed in a secure location. The administration in Arcadia will make every attempt to have the money bag delivered to Loup City Public Schools at the earliest possible date following the home contest. The money bag in Loup City will be placed in the drop box at Citizens Bank. The key will be given to the Business Office the next working morning. The Business Office, along with another staff member, will verify the amounts or make corrections as needed on the enclosed form, sign it, and send copies to the Coop Athletic Director and both superintendents.

If an outside entity volunteers to take tickets for an event (ie: football), then the following procedure will take place. The volunteers will place all of the money into a locked money bag and bring the key and bag to either the AD or an administrator. The AD and one administrator will count the money as soon as possible and fill out a gate form. The money will then be locked in the money bag and dropped off at the money drop box that evening.

All expenses explained above will be taken out of the cooperative account. Expenses for games/events should not be deducted from gate receipts before depositing them in the account. Cooperative monthly financial reports to include receipts and expenditures will be provided to both schools.

Fundraisers:

Any fundraisers, other than concession stands, conducted by a cooperative activity must be approved by the Coop Athletic Director & Building Principals before the fundraiser has begun. Coaches must indicate to the Coop Athletic Director what they plan to sell, what the money will be used for, and what expectations they have for the students involved.

Uniforms and Equipment:

Uniforms and equipment from both schools will be used as much as possible. Uniforms may be purchased as needed during the terms of the Cooperative Agreement and will be paid out of the cooperative account. Surplus uniforms may be purchased at replacement cost upon the approval of both boards of education.

Ordering:

All ordering must be approved by the Cooperative Athletic Director, who will then place the order. Orders to be placed in excess of \$1,000 must be approved by both superintendents. All uniform purchases must be approved by both superintendents.

The Coop A.D. will meet with the fall season coaches at the completion of their season for inventory and ordering needs. Any orders will be placed by December 31 of that year. The Coop A.D. will meet with the winter season coaches at the completion of their season for inventory and ordering needs. Any orders will be placed by April 1 of that year. The Coop A.D. will meet with the spring season coaches at the completion of their season for inventory and ordering needs. Any orders will be placed by June 1 of that year.

Coaching Positions:

1. The Cooperative Athletic Director will be in charge of recommending candidates for each coaching position. Input will be sought from the Assistant Athletic Director. Input will be sought from the principals, and established head coaches with final decision being made by the superintendents.
2. Full job descriptions for all coaching positions are available in the Coaches Handbook. Head coaches will be evaluated at the conclusion of each season with input from the Cooperative Athletic Director, Assistant Athletic Director and also an administrator. In the event the Athletic Director is not a certificated administrator the meeting will be conducted by a certified building administrator.
3. Coaches will not be required to submit an application each year. If there is sufficient cause to open a coaching position, the coach will be asked to submit a new application.
4. Each sport will have one (1) head coach at the high school level and one (1) head coach at the junior high level.
5. Each district will decide how many coaches they will pay and what the pay for those coaches will be, in accordance with their local negotiated agreements. The cost for coaches will not be considered a cooperative expense.
6. Any volunteer coaches that are not certificated employees of either school district must be approved by both superintendents. In accordance with NSAA by-law 2.12.3, the following will be adhered to by ALC programs using a non-certificated volunteer coach:
 - A. A volunteer coach job description will be included in the ALC Coaches Handbook.
 - B. The volunteer coach must be supervised at all times by the Head Coach during practices and games.
 - C. During practices, the volunteer coach may only instruct/supervise drills that have been assigned by the Head Coach. These drills may not be changed or other drills initiated by the volunteer coach without the Head Coach's approval.

Coaching Expectations:

In addition to the expectations stated in the job descriptions, the Cooperative Advisory Committee expects the following from all of the coaches:

1. To be upstanding, ethical, and moral individuals that set the example of sportsmanship for all of our students.
2. To develop practice schedules ahead of time and keep them on file.
3. To communicate effectively with the Boards, administration, staff, students, parents, and communities from both districts.
4. To promote all activities at both districts, along with their own.
5. To understand that conflicts with other activities may arise and that we need to work together with other cooperative athletics and district activities to give all students a well-rounded educational experience.
6. To hold pre-season parent meetings to discuss expectations and rules.
7. To allow for equal opportunities for all students, regardless of the school they attend.

Cheerleading:

Cheerleading will be a co-op activity. The program will follow the outlined expectations:

1. Each school will provide a sponsor for cheerleading.
2. One sponsor will be named the head sponsor, and the other will be the assistant.
3. Tryouts will not be required. Squad members will be asked to participate in a clinic in lieu of tryouts.
4. The cheer team will consist of any student interested in participating with no expectation that a certain number has to come from either school.
5. The purchase of uniforms will be the Cheerleader's responsibility and will not exceed \$300..
6. A cheerleading account in the Cooperative Activity Fund will be established.

Student Participation:

All students from Arcadia and Loup City are strongly encouraged to participate in cooperative athletics. The following expectations should be taken into account for all students:

1. All students will be given an equal opportunity to participate.
2. All students at the junior high level will be allowed to participate at each game/contest. The junior high coaches should strive for equal time as much as possible for all students.
3. All students participating in the sub-varsity levels in high school (C/JV) shall be given opportunities to participate during games/events, but may not get equal time and may not get to participate in every game/event. Coaches shall strive to provide guidance and equal opportunities in practice for athletes to increase their game time throughout the season.
4. All students participating at the varsity level shall be given equal opportunities to earn participation time during games/events, but may not get equal time. Coaches shall strive to provide guidance and equal opportunities in practice for athletes to increase their chances at game time throughout the season.
5. As a general rule, seniors will not be allowed to participate on reserve teams. Exceptions to this rule may be made if the coach involved will justify in writing to the Coop A.D. the reasons for the senior playing on the reserve team. The coach and the Coop A.D. will make the final decision.
6. The Arcadia-Loup City Cooperative will use a "no cut" policy for all student activities.

Transportation:

1. All transportation costs for practices, home games held at the other school, and away games will be split between both districts as evenly as possible.
2. All safety and capacity regulations will be followed at all times by both schools.
3. Transportation for away games and events will be scheduled by the Cooperative Athletic Director. All other transportation (to and from practices, to and from games held at the other school, etc.) will be organized by the individual school's Athletic Director.
4. All students will be transported via bus or school vehicle to and from the schools for practice, home games held at the other school, away games, and team camps. With prior building administrative approval, students may drive themselves to practice at the other site. This could be allowed if the student needs to drive themselves due to medical appointments, funerals, or other extenuating circumstances. Under no circumstances shall a student be able to drive another student, other than a sibling, to a practice.
5. Practices at the golf course and athletic complex will be set for a specific time and it will be up to the students to make it to practices on time. Coaches may set expectations for running/walking to practices if they choose. Coaches may be asked to transport students to practices or games.

6. Teams may stay overnight at the discretion of both Superintendents, the Cooperative Athletic Director, and the Assistant Athletic Director. Generally, teams will not be allowed to stay during the regular season unless they would have to leave before 5:00 a.m., or would return after 1:00 a.m. the day of the contest.

Practice and Game Schedules:

1. The Cooperative Athletic Director is in charge of making the schedule for all sports, including the paperwork needed to conduct these events. The Cooperative Athletic Director will work with the Assistant Athletic Director to determine which school will host the home events for each sport. Arcadia will host one (1) home JV/Varsity basketball game each year.
2. The location of the visiting team and their expected attendance will be considered when determining location of games.
3. The small gym in Arcadia will only be used for coop activities of low intensity with supervision. Coop games and full court practices in the Arcadia small gym will not be held.
4. Tournaments, triangulars, and double headers held on the same day will count as one contest for the sake of this agreement.
5. If one district does not have any participants in a given activity, all home games and practices will be at the other district.
6. In the fall season, practices will be distributed based on the percentage of participants from each school at the beginning of the 3rd week of practice. If a school does not have at least 20% of the participants then all practices will be in the school with the larger percentage with only one (1) practice prior to a home game being at the other site.
7. For basketball, a three-gym rotation will be used. The three gyms include both gyms at Loup City, and the new gym in Arcadia.
8. The Rebel Volleyball Tournament and Rebel Wrestling Duals will be held in Loup City. The Junior High Rebel Volleyball Tournament will be held in Arcadia.
9. Attempts will be made to include at least one high school wrestling meet at Arcadia, depending on interest from other schools. The wrestling triangular with Broken Bow and Wood River can continue to be held in the Arcadia small gym on its rotation.
10. All home track and field, cross country, and golf meets/invites will be held in Loup City. Attempts will be made to conduct a Junior High, JV, or Varsity Cross Country Meet in Arcadia.
11. All Conference meets/invites will be held in Loup City.
12. All volleyball triangular matches that include JV contests will be held in Loup City.
13. If the Varsity Football schedule cycle includes nine (9) total home games over two years, the schools will host the additional game on a rotating basis.
14. The Co-op Athletic Director, with the input from head coaches, will produce a practice schedule before the beginning of the season. This practice schedule could be subject to change on short notice.
15. Practices will last no longer than two hours, with the exception of the first week of practices. All practices will be completed no later than 6:15 p.m. Wednesday practices will be completed by 5:30 p.m.
16. No practices will be held during the school day without prior approval from the Co-Op Athletic Director and both Superintendents.

Football Scheduling:

This information is a historical record of extra home games and playoff games hosted by the ALC Co-op. This information shall be updated each year to reflect any additional football scheduling that has taken place.

Extra Home Games:

2018 – Loup City hosted 2 varsity games and Arcadia hosted 2 varsity games

2019 – Loup City hosted 2 games and Arcadia hosted 2 games.

****Loup City will host the next extra varsity game****

Home Playoff Games:

2018- Loup City hosted Elm Creek, Arcadia hosted Burwell

2019- Loup City hosted Alma, Arcadia hosted Sutherland

2020- Loup City hosted Stanton

****Arcadia will host the next home playoff game regardless of opponent****

Overnight Trips:

Coaches will be expected to provide the Coop Athletic Director with an itinerary for all overnight trips at least three (3) days prior to departure. The itinerary will include the following: Departure date and time, hotel information, meal plans/schedules, performance schedules, and potential arrival times. The itinerary must be approved by the Coop Athletic Director before departure and should be shared with both superintendents, building principals, and parents of participating students. Out of state trips/camps need to be approved by both boards beforehand. When meals are provided to participants and coaches the limit will be \$15 per person and a receipt for purchases is required, school districts will provide a method of payment.

The coaches/sponsors of an activity involved in an overnight trip have the sole responsibility for the supervision of the students who are involved in that activity. Questions that may arise would need to proceed up the chain-of-command – meaning to the Coop AD, then both superintendents.

Facilities and Insurance:

Each district certifies that they have adequate facilities to implement this cooperative and adequate insurance protection to cover all applicable provisions and situations that may arise from this cooperative.

All teams involved will be provided a locker room at each game. If the boys and girls teams have to share a locker room for double-headers, appropriate processes will be put in place to make sure students are allowed time to change before and after their game. A classroom will be made available for pre-game/halftime meetings as needed. The procedure for sharing locker rooms when home contests are at Arcadia are:

1. The locker rooms will be assigned by the Arcadia Activities Director a minimum of three (3) days prior to the game date and will communicate the locker room assignments to both programs AD's and coaches;
2. When the opposing team arrives at Arcadia, the Arcadia Activities Director will escort the teams to their assigned locker room;
3. The Arcadia Activities Director will, when communicating the locker room assignments to the programs Activities Director and coaches, emphasizing the following:
 - a. An adult coach from the team will be present to supervise the students while in the locker room, before and after the game;
 - b. No students will be allowed in the locker rooms without adult supervision;
 - c. The students will need to put their street clothes and other belongings in their travel bag for safekeeping;

- d. The players of the game just ending are required to go to their assigned locker room, shower and change back to street clothes in a timely manner – the locker room should be cleared of the previous players before halftime of the following game. For example, the JV girls will need to be out of the locker room before halftime of the JV boys' game, and so on.

Facilities will be maintained and improved at the sole discretion of each individual school district.

Admissions and Passes:

Cost of admissions and passes shall be the same for both districts. The cost will be coordinated through the Cooperative Advisory Committee and approved by each Board. All revenue from admissions and passes will be deposited into the cooperative account. All passes given by each district will be honored at all games held at Arcadia and Loup City. The only exceptions to this rule would be for games that are held at either school under the direction of the Lou-Platte Conference or the NSAA.

The Superintendents and Coop Athletic Director will create a standard Cooperative Pass. Passes will be \$20 for K-12 students, \$50 for an adult and \$100 for family passes to include spouses and children in grades K-12. Each individual family member will be given their own pass. Each school will also offer a free Golden Rebel pass to anyone the age of 65 or older.

Concession Stands:

Concession stands will be the responsibility of the host school. Both schools use concessions as fundraisers for other activities, so the revenue generated will not be included in the cooperative account. If either school is asked to host an event as a neutral site for sub-state contests for the sports included in this agreement, then that school will have the responsibility for staffing the concession stand.

Hosting School:

The hosting school will determine any additional programs or entertainment during the games they host. This includes, but is not limited to performances by the band, cheerleaders, or dance teams, educational awards, and coronation/Homecoming recognition.

Parent Complaint Protocol:

Complaints should be handled in the following manner:

1. Parents should encourage their child to meet with the coach if there is an issue/complaint. However, this meeting should not take place immediately following a contest.
2. If no solution is reached with that meeting, the parent and child should meet with the coach to discuss the issue/complaint. However, this should not take place immediately following a contest.
3. If no solution is reached, the parent and child should meet with the coach and the athletic director.
4. If no solution is reached, the parent and child should meet with the coach, both school principals, and the athletic director.
5. If no solution is reached, the parent and child shall appeal, in writing, to the superintendent of the school their child is enrolled in. The appeal shall also include the meetings that were held to try to remedy the situation. The superintendent will have ten (10) working days to respond to the complaint in writing.
6. If the parent is not satisfied with the response, they may appeal to the school board of the district their child is enrolled in. The Board will then hold an executive session with the parents, child, coach, the athletic director, both principals, and district superintendent at the next regular board meeting. The Board will then have ten (10) working days to respond to the hearing in writing.

Coaches Complaint Protocol:

Complaints from coaches should be handled in the following manner:

1. Coach will meet with the Cooperative Athletic Director to discuss the complaint.
2. If no solution is reached, the coach will meet with both school principals and the athletic director.
3. If no solution is reached, the coach will meet with both superintendents, both school principals, and the athletic director.
4. If no solution is reached, the coach may appeal to the school board of the district that they are an employee of. The Board will then hold an executive session with the coach, athletic director, both principals, and both superintendents to discuss the complaint. The Board will then have ten (10) working days to respond to the hearing in writing.

Letter Awards:

It will be up to the head high school coach of each activity to develop their lettering policy. These rules need to be given to each participant and the Cooperative Athletic Director prior to the start of the season.

Athletic Banquet:

One athletic banquet will be held in the spring of each year. The location will alternate between the two schools. All ALC sports will be given time to be recognized and to hand out awards.

Updates:

The effectiveness of this agreement and the regulations contained within will be assessed once per year. Changes will be proposed and discussed during the Cooperative Advisory meeting that is conducted after the spring season. This agreement, and any changes made during the summer, will be approved at each district's August board meeting every year.
