Dear Parents,

We are excited to announce that the Powell County Athletic Department has partnered with FinalForms, an online forms and data management service. FinalForms allows you to complete and sign athletic participation forms for your students. The most exciting news is that FinalForms saves data from season to season and year to year, meaning you will only need to enter the same information once! FinalForms also pre-populates information, wherever possible, for each of your students, saving you time.

You may review your data at any time to verify it is current. You must sign your forms once per year and after any update.

Click on the Parent Playbook (attached) to get started in FinalForms. If you require any support during the process, scroll to the bottom page and click "Get Help."

We ask that All HIGH SCHOOL athletes' parents use FinalForms even if your child is already in a Fall sport and plans to play Winter and/or Spring sports.

Please register at <https://powellcounty-mt.finalforms.com/> and follow the prompts to create your account, create your students, and sign your forms.

Thank you for your assistance in streamlining our paperwork processes at Powell County High School.
