ANNOUNCEMENTS

SENIOR PARENTS

Graduation will be here before you know it. Here is what you can do to prepare this month:

1. Check with your child on **scholarships** they have applied for and make sure they are tracking this in their rolling portfolio
2. Check with the **college or program** your child is attending next year to ensure you have completed everything they need from you.
3. Check your child's **transcript** in Infinite Campus and ensure everything looks correct
4. Check your child's **grades** to ensure they are on track for graduation
5. Make sure your child has shared their **senior picture** with our journalism team. These can be emailed to kbiere@pchs.dl.k12.mt.us or brought to the office.
6. If going to college, students should be applying for **housing**.
7. Complete **FAFSA**!

JUNIOR PARENTS

ACT is coming up on April 10! Here is what you need to know:

Preparing for the Test

- Read through the booklet sent home with your child carefully
- Checkout test prep books from the library
- Set time with your child to take online practice tests
- Make sure your child gets lots of rest in the days prior to the test.
- Ensure that you don't have any appointments or other things scheduled for April 10.

On the Day of the Test

- Make sure your child eats a good breakfast
- Students must be in their seats by 8am
- Students may only have approved calculators
- Students may bring food and water, but it must stay outside the testing room
- Students will not have a lunch-time scheduled during the test, but will have snacks provided at breaks
- Students will be released as soon as the test session is complete (around 1pm)

FRESHMAN AND SOPHOMORE PARENTS

March Conversations to have with your child:

1. Ask your child to go through the 4F's worksheet they completed in January advisement. Pay particular attention to your child's self-assessment of their academic behaviors and their test score goals for May testing.
2. Look at your child's transcript in Infinite Campus and talk with them about their grades so far this year. If they failed any classes, ask them about their plan to recover that credit. Remind them that their fall eligibility for sports is contingent on their final grades this school year.
3. Ask your child what classes they selected for next year (they did this in January)
4. Check in with their mental health and share any concerns with Ms. VanBeek. This can be a very stressful time of year!
