Please use a common-sense approach. If you’re undecided on whether something is appropriate, please wear something that you know is appropriate.

Parking

Feel free to utilize any of our GCMS parking lots for the event.

For entering the gym, 2 entrances will be open from the front hall, and 1 back entrance from the music hall doors (door #12).

Actual parking spots in the front parking lot (A) are reserved for handicapped (please display proper tags).

Non-handicapped can park around front loop, just not in lined parking spots. Please don't block traffic access
