

THE STORM

Back-to-School

By Kenlea Nelson

Since we are now in the West Riverside Campus instead of the East Campus, people have things that they like and dislike about being in a different school. A few middle school students have been asked questions about being in the new school. Most students agree that they like being in the Wathena building better and so far it has been a good year. A lot of students said they would like it if the hallways were bigger so that they could get around easier. Hannah Anderson said, "I like that I don't have to ride a bus from Elwood to Wathena anymore." Everyone that was interviewed said that they enjoy being in the Wathena school.

Pounding the Mats

By Kahmelah White

The Riverside wrestlers are doing very well this season with some of their records, Noah Wooley 6-2, Brendyn Deming 10-3, Kyson Murphy 9-4, Keilan Dilley 13-4, Dash Ruddock 10:4, Zayden Euler 11-4, Liam Hansen 5-10, and Gavin Schoenfelder being undefeated so far with 8-0, and many others are doing well. When asked, some of the 7th and 8th grade wrestlers gave some advice to upcoming wrestlers, Zayden Euler said "You have to have good technique because if you have that it helps with a lot else." Dash Ruddock said "Don't give up and do not get mad if you lose." A quote from wrestling Coach Connor Hayes gave was, "You're not going to score on every shot but that doesn't mean that you shouldn't take the shot." Mr. Keller had one that I personally liked it was "From the beginning of the season till now, the growth of our team and their wrestling abilities has been tremendous. That doesn't mean we stop working on getting better, our goal is to win the Big 7 title, and if we keep "Pounding the mats", I think we can achieve it."

The 23-24 RMS Student Council consists of 6th graders Barrett Miller, Charles Hewins, Brooks Griffin, Jude Gaither, and Jada Duncan. 7th graders Bryson Smith, Co-Treasurer, Paisleigh Smith, Secretary, Brandt Jackson, Co-Treasurer, Hadley Newton, and Rory Stewart. 8th graders Maycee Meers, President, Jasmine Robinson, Kennedy Griffin, Vice President, Kenlee Kiefer, and Colten Cox. Some plans coming up in December are a penny drive around Christmas time and a Elderly gift adoption . The council is looking to get more involved with school activities and hopefully work on projects with the Highschool Student Council. By working with the HS, middle schoolers will get a glimpse into how the HS is involved with both school & community activities and if this is something they want to continue to try and be a part of when they reach highschool.
