## From the Principal's Desk:

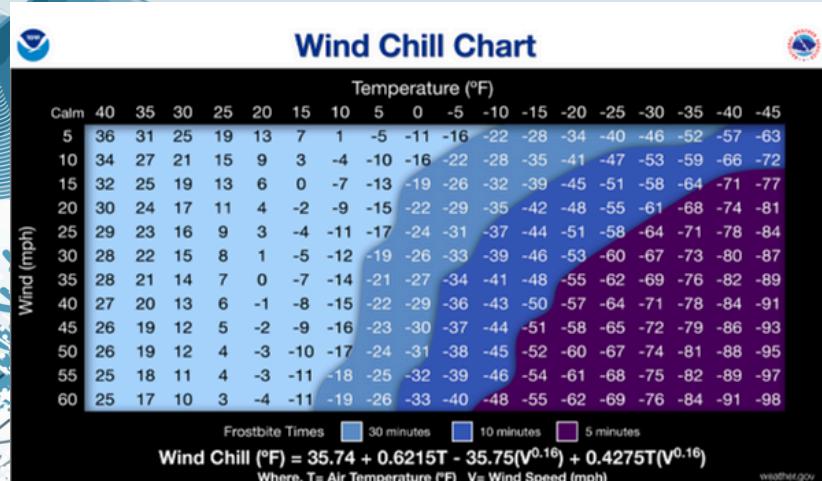

Please make sure your child is at school by 8:20 if you would like them to eat breakfast. Bus students eat breakfast when they arrive and preschool students eat at 8:35. Students are counted tardy if they arrive after 8:30.

Please make sure you send your children to school with snow pants, boots, mittens and hats everyday. We try to have outdoor recess whenever possible. Some mornings it is below zero but by the afternoon the temperature rises and we go outside. Fresh air and movement are good for our learners, but we need them to be safe and warm. If you need assistance with any of these winter items please let the school know.

When the weatherman warns of blizzard conditions, please let your child and their teacher know of your plans. Please be prepared for late starts and early dismissals. Keep the office updated on phone numbers and emergency contacts.

Thank you for sharing your children with us every day. Have a wonderful NEW YEAR!

Sincerely,  
Mrs. Hatton

## Child Find Notice

The Watertown School District has an ongoing "Child Find" system, which is designated to locate, identify and evaluate any child residing within its geographical boundaries who may have a disability and be in need of Special Education or 504 services. This includes children who are not in school; those who are in public, private, or home school; those who are highly mobile such as children who are migrant or homeless; and those who are advancing from grade to grade, who may need but are not receiving Special Education or 504 services.

The Watertown School District will make sure any child enrolled in its district who qualifies for Special Education or 504 services will be no cost to the parents of the child.

If you know of a child who lives within the boundaries of the Watertown School District, who may have a disability, and may need but is not receiving Special Education or 504 services, please contact Dr. Jennifer Bollinger, Director of Special Services, at 605-882-6398. "Child Find" activities will continue throughout the school year. As part of these efforts the Watertown School District will use screening information, student records, and basic assessment information it collects on all children in the District to help locate those children who have a disability and need Special Education or 504 services. Any information the District collects through "Child Find" is maintained confidentially.
