

## **Sophomore CLASS OF 2026 Fundraiser**

Every year sophomores are assigned their fundraiser during the 1st Quarter. It's been a busy year so far and we just did our Freshmen fundraiser last spring so we are keeping it simple. The meat sticks from last year went over well and the kids have agreed that they will sell those again. Unfortunately, the way the schedule is laid out, freshmen do 4th quarter and sophomores do 1st quarter so they are back to back with summer in between.

**Any money your child raises will go directly to their individual total for funds raised.** We DO NOT pool the profits together and divide it amongst the students. This money will help pay for things like Prom, Homecoming, and their Senior Class trip. This fundraiser is NOT required.

This fundraiser will start Thursday, **October 19th and order forms/payment will be due Monday, October 30th**. Students are responsible for picking up their items and delivering them to their customers. The meat sticks do not need to be refrigerated and they are individually wrapped.

**The Meat Sticks are being sold as ½ cases and FULL cases.**

Full case (24 sticks) = \$30.00 and the students will profit \$10.00 per case they sell  
½ cases (12 sticks) = \$15.00 and the students will profit \$5.00 per ½ case they sell.

\*There is currently a 20% off sale through Oct 31st, so the profit margin is even greater than last year.\*

There is no minimum requirement on the number of meat sticks they should sell.

*Money will need to be turned in with the order forms on Monday, October 30th.*

*Cash is fine and checks should be made out to the Seneca School District.*
