## About Nashoba Tech

- **18 Perkins and Chapter 74 Approved Technical Education Programs**
- **Comprehensive Secondary and College Level Academic Course Offerings**
- **Many Engaging Extracurricular and Athletic Activity Options**

Nashoba Tech enables students to grow and expand their opportunities for future success with cutting edge and industry-approved technical programs, comprehensive academics, athletics, clubs and more. Nashoba Tech promotes a culture of lifelong learning, encouraging graduates to continue updating their skills to remain competitive in the job market.

Nashoba Tech is committed to fostering a vibrant learning community where creativity, critical thinking, and collaboration thrive. Through hands-on experiences, cutting-edge curriculum, and dedicated mentorship, we aim to nurture the next generation of leaders and problem solvers who will shape the future through innovation and technological advancement.

Our mission is to empower each student and provide the skills to reach their full potential, embrace challenges with confidence, and contribute positively to society by leveraging the power of technology.

OVERVIEW OF NASHOBA TECH

## THINGS TO KNOW ABOUT NASHOBA VALLEY TECHNICAL HIGH SCHOOL

### Alternate Week Schedule:

Academic and Technical classes take place on alternating weeks, giving students time to deeply explore and practice their chosen program.

### No-Cut/No-Fee Athletics:

All students can benefit from participation in sports and physical activity, so Nashoba Tech ensures that all students have an chance to play.

### On- and Off-Campus Early College:

Nashoba Tech is a designated Early College High School, and has options for students to earn college credits either in the high school setting or at the college campus of their choice.

### Professional License Preparation:

Programs with professional or trade licensure requirements clock official credit hours and prepare students for licensure requirements. In some programs, taking the licensure test is a part of program graduation.

Nashoba Tech is a proud participant in SkillsUSA, a nationwide organization where students compete at the regional, state, and national levels. Every year, around 100 students from every technical program compete in the various events.

# Technical Education Programs

- All Technical Programs are MA Chapter 74 and Perkins Approved
- 900+ Hours of High-Quality Instruction and Skills Practice
- Professional and Trade Licensing Hours and Testing Provided\*

All technical education offered at Nashoba Tech have been designated “High Quality College and Career Pathways” by the Massachusetts DESE, due to the thorough and rigorous instructional programs.

All programs are taught by former and current industry professionals with at least five years of working experience in their fields, and the credentials to practice their trade. Students learn using current, professional grade equipment and gain practice on real-world inspired projects.

Students have the opportunity to engage in on-the-job training through the School to Career cooperative placement program.

TECHNICAL PROGRAM ENROLLMENT		
Cluster	Programs	% of Students
Construction & Transportation	Automotive Collision Repair, Automotive Technology, Carpentry, Electrical Technology, Plumbing Technology	41%
