

Hello Nashoba Tech Parent(s)/ Guardian(s),

We are looking for dedicated parents like you to join the Nashoba Tech School Council for the 2025-2026 school year! This is a fantastic opportunity to partner with the Principal, teachers, and students to help guide our school's direction. We have **four open spots** for parents to serve a two-year term.

What is the School Council?

The School Council is a collaborative team of parents, teachers, students, community members, and the Principal. Together, we work to:

- Develop and review the school's improvement plan.
- Review the annual school budget.
- Adopt educational goals and identify student needs.
- Edit the Student Handbook for grades 9-12.

Our Goals for the 2025-2026 School Year

This year, our work will focus on the NEAS&C standards to strengthen our school in key areas:

- **Learning Culture:** Creating a school environment that promotes student success.
- **Student Learning:** Focusing on effective curriculum and instruction.
- **Professional Practices:** Ensuring we have the right support structures in place for learning.
- **Learning Supports:** Providing systems and interventions for student well-being.
- **Learning Resources:** Confirming we have the resources for a safe and functional learning environment.

The Council meets once a month on the **2nd Tuesday** of the month.

Ready to get involved?

The School Council Parent Representative(s) are elected to the position with a ballot vote by parents and community members, which will be completed electronically.

During the full 2-year term a parent representative must have a child attending Nashoba Tech. If you have any questions, please contact the Principal's Office at 978-692-4711, Ext. 11105.
