SAP Team Members

Background

Student Assistance Program

The Student Assistance Program (SAP) is a school-based program designed to identify and support students and families who are having school-related concerns/issues.

Students, parents, teachers, administrators may make referrals to a SAP team member. Students who violate the school's drug and alcohol policy are automatically referred to SAP. Referrals can be made by contacting anyone on the SAP team, calling the school or requesting a meeting at school by calling Mrs. Stahr at 717-436-2165 ext 5048 or by email, jstahr@jcsdk12.org.

Parent / guardian must provide signed consent for SAP.
