SB 8 requires districts to designate each multiple-occupancy private space for use only by individuals of one sex and to take every reasonable step to ensure an individual does not enter the wrong private space. Reagan County ISD CSA(LOCAL) gives the superintendent the right to designate private spaces in accordance with law and to develop regulations to ensure compliance.

Reagan County ISD will designate locker rooms as non-private space on game days. The designated times will apply to Reagan County home games. Coaches of the opposite sex will be allowed in locker rooms at the designated times, accompanied by another coach.
