

## Public Usage of the Track

It has been brought to the attention of the school district that some people in the community would like to use our track for personal use. Anyone in the community may use the track outside the school day and athletic events.

In general, the track is available Monday through Friday before school until 7:00 a.m. and after 5:00 p.m. unless there is a track meet going on. On the weekends, it would be available as long as the track teams are not practicing or participating in a home meet. During the summer, the school does not use the track so it can be available all day.

While using the track, we ask that you follow a few simple guidelines to preserve and keep the track in good condition.

- No wheels are permitted on the track, including scooters, wheelchairs, strollers, bicycles, rollerblades, golf carts, etc. This rule is crucial because the track surface is designed for running, not handling the friction of wheels.
- As with all public school facilities, drugs, alcohol, and tobacco (including vapes) are not allowed.
- Please keep the area clean and pick up after yourself if you are using the track.
- Pets (except service animals only) are not allowed on the track.
- Illini Central reserves the right to assign or restrict the use of the track.
- Illini Central is not responsible for items that are lost or stolen.
- Individuals are encouraged to have a physical examination and obtain adequate health and accident insurance before using the track facilities. Individuals use the facility at their own risk.

Please report any concerns to Gene Gronewald at 217-482-5180 ex. 1800 or [ggronewald@illinicentral.org](mailto:ggronewald@illinicentral.org).
