GENERAL INFORMATION

From the Administration

WELCOME to Alma Public Schools. It is the sincere wish of all staff members to make the 2022-2023 school term as successful and enjoyable as possible.

This handbook has been revised and approved by the Administration and the Board of Education and is intended to be a guide to the rules, regulations, and general information about Alma Public Schools. As per Board Policy #5011, the rules, procedures, and practices adopted in the Parent-Student Handbook shall have the effect of Board Policy. **These are but a select few – read them carefully. They will help answer some of your questions. No handbook can ever be all-inclusive; therefore, the administration reserves the right to act within the general intent of the handbook and make changes when deemed necessary.**

Included in this handbook is a copy of the Alma Public School Policy - Standards of Student Conduct Pertaining to the Unlawful Possession, Use, or Distribution of Illicit Drugs or Alcohol on School Premises or as Part of Any of the Schools' Activities. This notice is being provided to you in compliance with P. L. 101-226 and 34 C.F.R. Part 86, both Federal legal requirements for the district to obtain any Federal financial assistance. Policy Concerning Internet use by students, and FERPA is also included. Please sign the Illness or Injury Procedure Consent and Handbook Sign - off Sheet, the Acknowledgment Receipt, and the Internet Policy acknowledgment and return them to the school.

The balance between a high-quality program and positive behavior by students insures an effective learning environment for all. The maintenance of a good learning atmosphere depends upon a sustained and cooperative effort on the part of students, parents/guardians, teachers, and administrators.

We are looking forward to another exciting new year. Our wish for each of you is for an awesome year. Apply yourself in your school work - do your very best, however, don't forget to have fun.

If you have any questions, don't hesitate to ask. Stop by the office and we will try to help you.
Again, **WELCOME back to school.**

Jon Davis, Superintendent

Stephanie Brandyberry, Principal

School Time

Regular school hours will be from 8:00 to 3:35. Activity Day dismissal time is 2:01. Students are not to be in the hallway before 8:00 AM and should remain in the gym area unless they need to see a teacher. At the 8:00 AM bell, the students need to go to their classroom. On a 10:00 AM start students are not to be in hallway before 9:50 AM and should remain in the gym area until the 9:50 bell rings.

School Closing

In case of bad weather, the school will make an announcement through the School's Message System. You can also call the schools announcement line at 928-2401 or listen to the radio for an announcement that school has been cancelled: KRVN – 880 AM or 93.1 FM, KQKY – 105.9 FM, KICX, KUVB – 1380 AM. Also, announcements will be made over television KHGI, Channel 13, KGIN, Channel 10-11, or KHAS, Channel 5. If a late opening is announced, please continue to monitor the media as conditions may worsen warranting a closing of school.

Decisions to Close Schools / Late Start: A decision to close school or have a late start is made when forecast by the weather service and school administrators believe that road travel will be difficult. An early decision is not always possible because of uncertain weather conditions. School officials will make periodic assessments of conditions during the night and will decide early in the morning. In the event the school is closed the school's message system will be used to notify students and school employees. The administration will notify the news media when inclement weather warrants such action.

Parental Decisions: Parents may decide to keep their children at home in inclement weather because of personal circumstances. Students absent because of severe weather when school is in session will be marked absent and the absence will be treated like any other absence for legitimate causes provided parents properly notify the school of their decision. Parents may pick up their children in inclement weather (except in case of a tornado) at any time during the school day. Students will not normally be dismissed from school during severe weather on the basis of a telephone request.

Locking of the Doors

For the safety of our students and staff, all outside doors except the east high school door will be locked after the start of the school day. The doors will remain locked throughout the day with the east high school door being the only one that is accessible for visitors, students and parents to enter. At the end of the day the commons and west elementary door will be unlocked for parents to pick up their children. We request that parents/guardians stay outside to pick up their children.

Board of Education Meeting

A monthly meeting of the Alma Board of Education is held on the second Monday of each month. These meetings are generally held at 7 PM in the school library.

Item for Agenda

A patron may place an item on the school board agenda by filing a written request with the superintendent at least one week prior to the regularly scheduled meeting. The written request should include the name, address and telephone number of the person making the request; the name of the organization or group represented, if any; a statement of action to be requested of the board and any pertinent background

Parental Concerns

If you are dissatisfied with aspects of the school, it is expected that parents/guardians and patrons adhere to the following lines of communication to resolve any conflicts or potential problems:

- | | |
|----------------------|-------------------|
| 1. Teacher/Coach | 4. Superintendent |
| 2. Athletic Director | 5. School Board |
| 3. Principal | |

Also, if you are pleased with some aspect of your child's education, please make a comment to the teacher or person responsible. With different types of feedback, the school can continually work to improve.

Fire Drill

We have a fire alarm system that will be used in case of fire or fire drills. Fire drills will be held monthly. When the alarm is sounded, everyone will move rapidly and quietly to an exit assigned and posted in each classroom.

Tornado Drill, Evacuation, Lockdown Drill

Tornado, evacuation, or lockdown drills will be practiced each year according to school policy. The school notification system will be activated to inform parents and guardians regarding where children may be picked up at school or at the evacuation site.

Lost and Found

Throughout the school year students misplace many articles. It is impossible for the teachers to keep track of all the articles belonging to each student. Therefore, it becomes the responsibility of each individual.

Articles found should be turned in to the office of the Superintendent and inquiries as to the lost articles may be made there also. Each student will be responsible for the textbooks issued to him. If any of the books become lost, the student must pay the price for replacing them.

SCHOLASTIC INFORMATION

GRADING SYSTEM

A-93 to 100%

B-85 to 92%

C-77 to 84%

D-70 to 76%

F-Below 70

A grading system of (E) Excellent, (S) Satisfactory, and (U) Unsatisfactory may be used in some elementary levels. An intermediate student (4-6) failing in two major subjects will be considered for possible retention. A primary student (1-3) failing in reading will be considered for possible retention. Report cards are issued at the end of each nine-week period.

Academic Integrity

Students are expected to abide by the standards of academic integrity established by their teachers and school administration and outlined in Board Policy # 5101. Cheating and plagiarism violate the standards of academic integrity. Sanctions will be imposed against students who engage in such conduct. Sanctions may include but not limited to the following.

- The teacher will refuse to accept the student's work and assign a grade of "F" or zero for the work. The teacher may require the student to complete an additional assignment and give the student a grade that they determine is appropriate for the work.
- Report to Parents/guardians and Administration.
- Additional Sanctions may be recommended by the Principal, including but not limited to suspension or expulsion.

Special Education Procedural Safeguards, Policies and Programs

The Board of Education of this school district herein affirms that all procedural safeguards, policies and programs administered within the school district will be consistent with the Individuals with Disabilities Education Act and in accordance with the rules and regulations pertaining to special education as promulgated by the State Department of Education.

Individual Education Programs (IEP)

The special education teacher, school psychologist, the parents/guardians, the student, the teachers of that student, the guidance counselor and the school administration will determine the course of study for each student in Special Education. Each student in Special Education will be dealt with individually because each student has abilities unique to himself/herself.

Title 1 - Remedial Reading & Math

Title 1 is a government-funded program made available to schools throughout the U.S., which have a required number of low-income families in the district. This does not mean, however, that only low-income children may attend Title 1. It is provided for all students in a school district who are in need of assistance in reading and/or math, in addition to their regular classroom instruction. Chapter 1 is not the same as Special Ed. (Resource), but rather is a completely separate program. Children in Resource have other special needs that are better served in that program. Very often a Chapter 1 student simply did not understand a concept or master a skill the first time it was presented, and simply needs more review and drill to help him or her attain grade level achievement. The goal of Title 1 is to help students improve their weak areas in reading and/or math so they can catch up to grade level and thereby function comfortable in the classroom. Qualification for Title I is determined in the spring for the following school year based on two criteria. The first is the annual achievement test and the second is a teacher-selected criterion.

Permanent Records

A permanent record for each student is maintained in the school office. The record includes such items as personal data, family data, health records, scholastic records, activity records, test data, etc. Any student, his parents or guardians may have access to the student's permanent record. These records are kept to facilitate the possible transfer of students to other schools.

ATTENDANCE, TARDINESS, & ILLNESS

Attendance Policy and Student Absences

The Board of Education believes it is the shared responsibility of the parent or guardian, the student and the school to establish and maintain desirable habits of punctuality and attendance. Parents/guardians cannot excuse students from school. They can

only give the reason for the absence. The authority to determine whether an absence is excused or unexcused rests with the administration. Nebraska State Statute requires that students who are excessively absent to be reported to the County Attorney. State Statute also permits peace officers to return truant students back to school.

When a student is absent from school for a day or any part of a day, the parent should phone the school office (928-2131) by 9 AM. This procedure will help ensure that your child reaches school safely and will be sufficient notification for the school's absence records.

Should no such contact be established on the day of the absence by 10 AM, local law enforcement may be contacted. Upon returning to school, those students whose parents/guardians have not called regarding their absence should present a written excuse to the office. Any student returning to school without a written excuse or previous phone contact from the parents/guardians/guardian will be asked to call their parent/guardian for verification of their absences.

Upon returning to school, those students whose parents have not called regarding their absence should present a written excuse to their classroom teacher. Any student returning to school without a written excuse or previous phone contact from the parents/guardian will be asked to call their parent/guardian for verification of their absences.

Categories of Absences

Excused: Absences should be cleared through the Principal's office in advance whenever possible. All absences, except for illness and/or death in the family, require advance approval. A note or phone call from home giving the reason for the absence, i.e.: family bereavement; doctor or dental appointments; illness; special religious observances; demonstration of exhibits at the State Fair; court appearances; family emergencies and other family activities, justified to the principal. The above examples are absences that are classified as excused with the proper information but will still count as an absence. **NOTE: Any time a student is not in school for a non-school related event it is counted as an absence.**

Unexcused: An absence that is not excused is unexcused. A student who engages in unexcused absences may be considered truant as per state law Neb. Rev. Stat. §79-201. Truancy is a violation of school rules. Students are subject to disciplinary consequences for truancies. Truancy is defined as; leaving school without checking out of the office, forged excuses or failure to bring a note from a parent/guardian giving the reason for absence after the student returns to school. Students with unexcused absences will be expected to make up double the time they were absent. (Ex. 1hr absent = 2 hrs. make up time.) Parents/guardians will also be notified via a letter and/or a phone call when a student receives an unexcused absence.

Special: Participation in an Alma Public Schools activity is excused.

The total of all absences shall not exceed five days per quarter or ten days in a semester. Students who are absent 10 or more times a semester will be considered for possible retention. If parents and students feel there are extenuating circumstances causing the excess absence, they may appeal to the school's administration by contacting the school as soon as notice of excessive absenteeism is received.

Notices of "excessive absences" will be mailed to the parents/guardians after a student is determined to have excessive absences. If the student continues to be absent, one or more meetings will be scheduled between the student, a parent/guardian, a school administrator and/or school guidance counselor to attempt to address the barriers to attendance. The result of the meeting or meetings shall be to develop a collaborative plan to reduce barriers identified to improve regular attendance. The plan shall consider, but not be limited to: Illness related to physical or behavioral health of the child; Educational counseling, Educational evaluation; Referral to community agencies for economic services; Family or individual counseling; and Assisting the family in working with other community services. If these efforts do not improve regular attendance and the student has been absent more than twenty (20) days of school or the hourly equivalent, the school will notify the County Attorney the student as being habitually truant as per **Neb. Rev. Stat. §79-209**. Students may be referred to the County Attorney earlier in the process to address excessive absenteeism issues. Any information, including medical information relating to the excessive absences will be passed on to the County Attorney.

Tardies

It is essential that students arrive at school on time and stay for the entire day. Valuable information may be missed if they arrive late or leave early. Students are to be in their classrooms at the start of the day are expected to remain the entire school day. Students who are absent from school for 1 hour or less will be reported as tardy. (Whether this is at the start, middle, or end of the day.) **EVERY THIRD TARDY WILL BE COUNTED AS 1/4 DAY ABSENCE.** Make up time may be assigned for excessive tardies.

Student Illness or Injury

Students with the following health condition(s) shall be excluded from school: Oral temperature of 100 degrees or higher, elevated (or possibly normal) temperature combined with severe cold symptoms, excessive coughing, swollen glands, or skin rash, eyes inflamed with purulent discharge, drainage from ears, skin lesions such as impetigo or scabies until under treatment, vomiting, diarrhea (2 or more loose stools), and/or communicable disease.

Students will be re-admitted after being fever free for 24 hours without the use of a fever reducing medication. **If your child is sent home with a fever, they may not return to school the very next day.** Students with some conditions may return to school after being treated for 24 hours with an antibiotic. Call the school nurse for specific readmission guidelines.

A form is provided for you to give us information necessary in taking action whenever your child(ren) becomes ill or is injured while at school or at a school activity. Please complete this form and return to us within the first week of school. There should be at least two contact numbers for the school to call in case of an emergency or illness. If the school is unable to contact, you through your contact numbers the Harlan County Sheriff Department may be called for assistance in contacting you.

USE OF BUILDING AND GROUNDS

Video/Audio Surveillance

The Board of Education has authorized the use of video/audio cameras on School District property and school vehicles to ensure the health, welfare and safety of all staff, students and visitors to District property, and to safeguard District facilities and equipment. Video/audio cameras will be used in locations as deemed appropriate by the administration.

Notice is hereby given that video/audio surveillance may occur on District property. In the event a video/audio surveillance recording captures a student or other building user violating school policies or rules or local, state or federal laws, the video/audio surveillance recording may be used in appropriate disciplinary proceedings against the employee or other building user and may also be provided to law enforcement agencies.

Telephones

Students should not use a school phone during school hours except in emergencies and then only with the permission of their teacher. Parents/guardians desiring to call their children during the school day should acquaint themselves with the child's schedule and make calls only when the student is not in class. A student will not be called to the telephone unless it is an emergency.

Use of Copy Machines/Printers

Students may use the copy machine or computer printers for school related items only with permission. Students must present a pass from the classroom teacher giving them permission to copy materials. All personal items to be copied or printed will cost 10 cents per copy (front and back is 2 copies). Copying another student's class notes on the copier is considered personal items and will be assessed a cost of 10 cents per copy.

Visitors

Visitors are asked to report to the Office upon arriving. Student visitors are discouraged. If you plan to have a student visitor, contact must be made with the principal and classroom teacher 24 hours prior to the visit. Visitors eating lunch at school will be expected to pay cash--federal regulations will not permit visitors to "borrow" from a student's lunch account.

School Property

Student lockers, desk, computer equipment and other the school owns such property. The school exercises exclusive control over school property. Students should not expect privacy regarding usage of or items place in or on school property, including student vehicles parked on school property, because property is subject to search at any time by school officials. Periodic, random searches of lockers, desks, computers, and other such property may be conducted in the discretion of the administration.

Leaving the Building at the Lunch Break

Elementary students may not leave the building at lunch break. An administrator of the school must specifically approve any other exception.

Student Bicycles

The use of bicycles during school hours is prohibited. This includes the lunch hour. Bicycles will be placed in the bike racks, at NW corner of the school building. Bicycles are to be left there until dismissal time in the afternoon.

Care of School Property by Students

Except in cases of unavoidable accidents, students and/or their parents are liable for all damage they may do to school property and will be required to make restitution for damages incurred. This includes writing or carving on school desks, books, lockers, computers or any other school property.

Care of Personal Property by Students

STUDENT RIGHTS, CONDUCT, RULES, AND REGULATIONS

Student Discipline

Good discipline in the school is extremely important to the school program. With good discipline the school can discharge its primary responsibility in the development of citizenship and students can realize their greatest opportunities for growth. In maintaining discipline, teachers must be able to proceed with the assurance that support will be forthcoming from the Superintendent and the School Board. Good discipline is usually positive rather than negative in nature. It consists of keeping students interested and involved in constructive activities rather than punishing them or doing things that are anti-social.

Respect and Respect in the Classroom

Respect is the cornerstone of all our interactions and behaviors. We acknowledge the dignity and worth of one another and strive never to diminish another by our conduct or our attitudes. All students at Alma Public Schools are expected to respect the rights of students to learn and teachers to teach without disruption. Show respect at all times toward fellow students, teachers, other school staff and helpers by speaking courteously and cooperating with instructions.

Alma Public Schools' expectations for all students, is to respect others. Therefore, respect for authority is a given and we expect our students to respect the positions of teachers and staff at all times and in all situations. We will not tolerate disrespect and/or threats to other students or teachers and staff. A student removed from a class for unsatisfactory behavior will report to the principal's office.

On the **1st offense** the student and teacher will meet with the principal to discuss the incident and the consequences of being disrespectful. Detention may be assigned. On the **2nd offense** the student will make up 30 minutes' detention after school the same day with the teacher. The teacher will call the parent to inform them of the incident. On the **3rd offense** the student will receive a zero for the class that day and make up 30-minutes detention but will not return to class until a meeting with the student, parent(s)/ guardian(s), teacher, and principal has occurred. On the **4th offense** the student will be given 1 day ISS and will be removed permanently from the class and will not receive credit for that the class for the remainder of the Semester. Depending on the severity of the disrespect, the administration may adjust the above procedure as necessary. If after any incidences, the student fails to serve a detention without approval from the administration the student will receive an ISS and will make up the time after school, the proceeding school day. If the student fails to show for the ISS and/or detention the student will face other disciplinary actions including OSS, expulsion, or assignment to the alternative school.

Insubordination

Insubordination is the failure to respond appropriately to any reasonable request by a staff member or administrator. Failure to respond to a reasonable request will result in disciplinary action ranging from verbal reprimand to suspension or expulsion.

This privilege may be restricted by the school administration individually or by groups whenever they feel that the use of the computer is interfering with the educational process of the students. These resources are provided to students solely to support classroom-related instructional work at Alma Public School. Whenever and wherever students utilize these resources, they are acknowledging their responsibility to take care of them and use them within the bounds of school rules and policies.

Students who use these resources carelessly or for non-school purposes may lose their privileges to use this technology including their school issued computers and may be subject to other consequences as well. Students should make no assumptions regarding

privacy rights when using district technology resources. While it is the individual student's responsibility to work with technology resources responsibly and properly, district staff may at any time perform monitoring or inspection procedures in efforts to ensure appropriate and efficient use.

Student Detention

Detention has been established to deal with student misconduct. Students who have misbehaved may be assigned to detention. Students will report to the teacher who issued the detention with something to work on or read by 3:35 on the day detention is assigned. Bus students will be given one day to make arrangements and will be expected to report to detention hall the next day. Being late, not having anything to work on, visiting with others, sleeping, chewing gum, or having pop or candy in detention will result in being dismissed and doubling the detention study hall time. No student will leave the detention classroom for any reason after 3:35 until they have completed their time. Failure to appear for detention will result in detention time being doubled. Continued failure to appear will result in in-school suspension.

Student tobacco, tobacco products look-alikes, alcohol, and illegal drug use results in negative effects on behavior, learning, social and physical development. Because we believe that we have the obligation to address what we consider to be detrimental influences on student performance, achievement and development, the following substance abuse/unlawful act/activity participation policy was developed. It is a part of a total effort to discourage the use of tobacco, tobacco products look-alikes or alternatives, alcohol, other illegal drugs or prevent unlawful acts by the young people of our community. Unlawful acts are those such as theft, vandalism, and other crimes of similar severity.

The use of dogs to walk the school hallways, locker rooms, parking lot or other parts of the school grounds to determine the presence of illegal drugs will occur at any time during the school year and without prior notice to students or parents/guardians.

As examples of gang apparel changes, this policy will change accordingly and students and parents will be notified of any changes.

Searches may be conducted when school officials determine there is reason to believe a search could disclose evidence of a violation of statutes, school rules or threatens the safety of others. School officials may also conduct area-wide searches on the same basis and for reasons that include, but are not limited to, safety, health, and discovery of a violation of a statute, policy, or rule. Private vehicles that have been driven to school by students are also subject to search by school officials, regardless of where the vehicle is parked, so long as the student is or has been on school property. Please begin this process 2-3 days before you are to leave the district to give yourself time to return all school properties and to clear up any outstanding debts to the school.
