complete your registration with you over the phone!

NORTHWESTERN FALL IMMUNIZATION CLINIC

To assist families in meeting school vaccination requirements for the 2023-2024 school year and to catch up on previously missed vaccines, the Howard County Health Department will offer a vaccination clinic at Northwestern High School. The clinic is open to all 7th-12th grade students and families. **There will be no out of pocket cost to you.** Insurance will be billed or, for those without insurance, the vaccines are provided free of charge.

The clinic will be held on **Wednesday, November 1st, during school**. Parents are welcome to attend with your students!

Your child will **only** receive the vaccines to which you have consented. Your child's immunization record will be checked in the state registry prior to the clinic to determine what vaccines are needed.

If you have a child who is in grades K-6 and you would like to check their vaccination status or schedule them for a vaccination appointment, please call the Howard County Health Department at 765-456-2408, select Option 1 for Nursing. We will be happy to get your student scheduled!

Please complete the online registration at:

<https://form.jotform.com/232686257475165>

OR scan the QR code below. Registration due by Wednesday, October 25th

*Registration preferred but not required. If you have any questions, or need assistance with the registration process, please call the Howard County Health Department at 765-456-2408, select Option 1 for Nursing.
