

Northern Cass Educator Personalized Professional Learning Plan 2023-2024

All Northern Cass educators will participate in the following district wide professional learning

Back to School Professional Learning with CC	Mid-winter Professional Learning with CC and SEL	Portrait of a Learner: attributes and competencies
Instructional Rounds	Small Group Coaching with Mr. Klapp & Mrs. Head Jessica Enderson	Schoolwide Goal on Flexible Grouping and Learner Led Inquiry

Below are optional professional learning opportunities you can choose from in order to reach your **24 total personalized professional development hours** for the school year. Options on the list are tied to our Northern Cass Collective Commitments and Values. The list is not all inclusive.

PCBL Design Team Meetings Participate in PCBL Design Team meetings on campus	Requested Instructional Coaching Work with Mr. Klapp or Mrs. Head in addition to required time	Create Observation Video Record video of you teaching and debrief with administrator or instructional coach. Upload video to educator learning library	Participate in or Host Twitter Chat Participate in an approved Twitter chat
Learner-Led Instructional Rounds Invite 3-4 learners to attend the round you are hosting. They participate and provide feedback during the debrief.	Assessment Coaching Participate in coaching With experts from the field	Problem of Practice Participate in a Problem of Practice with an approved district	Site Visit Participate in a site visit off-campus; will require a reflection and share out. Must get approval from administration
Allow Tour Observation Participate in a site visit by opening your learning center to visitors while teaching and learning is happening	Panel Discussion Participate in a panel discussion when visitors attend a site visit at Northern Cass	Instructional Rounds Participate in instructional rounds/ learning walks outside of the district	Family Engagement Work Assist with implementing strategies which engage families across our district
Participate in PCBL Learning Pathway Join a PCBL learning pathway linked to your academic goal or a district initiative	Present Professional Learning Provide professional learning to educators	Participate in a PLC Engage and collaborate in an approved PLC outside of the district	Educational Conference Attend an approved conference and present your learning to staff
WILD CARD Present an idea to administration for approval	Book Study Participate in a book study hosted at the school or through SEEC	Watch Webinar and Create One- Pager Watch an approved webinar or series and create a one-pager	<i>Note: administration reserves the right to limit the number of hours awarded for a certain choice.</i>

Professional Learning Tracker 2023-2024

EDUCATOR NAME: _____

Date	Professional Learning Opportunity	Number of Hours
<i>Ex. 8/1/2023</i>	<i>Approved Webinar Series-Science of Reading & 1 pager</i>	<i>2 hour</i>

Total Hours completed must equal 24 hours
