

## Share Your Story

Northern Cass Public School is embarking on an interview collection project, inspired by StoryCorps, to record and preserve the stories of community members.

The chance to record an interview for The Listening Lounge is also a chance to ask someone you know about their life. For 20-30 minutes, the two of you can talk about whatever you want and can ask the questions that really matter:

- What are some lessons you've learned in life?
- What are you most proud of?
- How would you like to be remembered?

At the end of your conversation, you'll receive a free recording to share with family and friends. With your permission, a second copy will be preserved in the Northern Cass archive.

The Listening Lounge is an audio project only—no video will be taken.

## How to Participate

Participation is free and open to all community members. Recordings will take place during the school day (8:00am to 4:00pm) by appointment.

## Teasers

To build interest, the Center for Success Luminaries thought it would be a good idea to conduct a few interviews of their own. Stay tuned for clips from these interviews!
