Northern Cass Public School The Listening Lounge

Share Your Story

<u>Northern Cass Public School</u> is embarking on an interview collection project, inspired by StoryCorps, to record and preserve the stories of community members.

The chance to record an interview for <u>The Listening Lounge</u> is also a chance to ask someone you know about their life. For 20-30 minutes, the two of you can talk about whatever you want and can ask the questions that really matter:

- What are some lessons you've learned in life?
- What are you most proud of?
- How would you like to be remembered?

At the end of your conversation, you'll receive a free recording to share with family and friends. With your permission, a second copy will be preserved in the Northern Cass archive.

<u>The Listening Lounge</u> is an audio project only—no video will be taken.

How to Participate

Participation is free and open to all community members. Recordings will take place during the school day (8:00am to 4:00pm) by appointment.

Teasers

To build interest, the Center for Success Luminaries thought it would be a good idea to conduct a few interviews of their own. Stay tuned for clips from these interviews!
