

WELCOME TO

Northern Cass Public School

We believe...

Every learner can change the world; therefore, we will provide a world-class education. Educators at Northern Cass are dedicated and passionate about building positive relationships, teaching and learning, engaging in self-reflection, acknowledging greatness, and support of the Northern Cass community. We know you will feel right at home as a new member of our Jaguar Family!

Personalized Learning

Over the last five years, we have learned the traditional model of education is outdated and does not fit the needs of every learner. We provide a unique learning opportunity structured around personalization and a robust set of services for our learners. Our school commits to all learners graduating Choice Ready (workforce, military, post-secondary education) with our Portrait of a Learner skills: accountability, communication, adaptability, learner's mindset, and leadership.

The Heart of the Community

Northern Cass is a Full-Service Community School, serving PreK-12 learners from many nearby communities. Because of our unique location, we are working to bring in a wide variety of services and supports in areas such as wellness, workforce readiness, and academic enrichment to help learners, families, and communities thrive. We are part of North Dakota Full-Service Community Schools (NDFSCS), a consortium representing various ND schools and organizations passionate about helping ND learners and families succeed. Learners can only learn when their basic needs are met, and not all schools have the resources to meet all needs. NDFSCS supports schools and community partners as they navigate these challenges together, creating pipelines to vital services for learners and their families.

Dr. Cory Steiner
Superintendent

Mr. Doug Margerum

Northern Cass New Family Information

Get your Jaguar Gear at the online PAW SHOP.

Passcode: jaguars

Welcome to the Jaguar Family!

To help your learner and family transition to Northern Cass, we have compiled a short list of resources, services, and friendly faces to help your family best navigate and adjust to a new setting. This information and more have been uploaded in more detail on our Jaguar Parent Portal website. You can reach this website by scanning the QR Code at the bottom of this page.

Mr. Bryce Laxdal
Activities Director

Get Involved.

Northern Cass School believes a well-rounded education includes participation in co-curricular activities. We offer a wide range of academic, fine arts, and athletic activities. Information can be found under "Activities" on our school website, or by reaching out to Activities Director, Mr. Bryce Laxdal.

Parents and Guardians too!

We have several options for parent and guardian involvement!

- PTO (Parent Teacher Organization)
- Booster Club
- Dollars for Scholars

Mrs. Ashley Krinke
Elementary Counselor
Family Engagement Lead

Family Engagement.

Northern Cass believes family engagement is critical to a learner's education. True engagement takes place when families and the school work together to support and improve learning. Our dedicated Family Engagement Team provides opportunities for families to engage alongside their learners. Some past activities include:

- Early Learning Fair
- Friendsgiving
- Sensory Play and Stories Activity Night
- Community Book Clubs

QUESTIONS? Let Carrie be your guide.

Mrs. Carrie Petersen
Executive Administrative Assistant
of Office Operations

- School Resource Deputy
- School Nurse
- Athletic Trainer
- Telehealth
- Check & Connect

Mrs. Jessie Regner
Special Education
Coordinator

Mrs. Amber Lockhart
FSCS Site Coordinator

College, Career, & Life Readiness.

Along with full-time elementary and secondary school counselors, Northern Cass has a Director of College, Career, and Life Readiness. The counseling team provides guidance and experiences for learners that align with their future goals. Learners engage in job shadows, internships, and robust course offerings so when they graduate, they have skills for success beyond our building. Community partnerships are vital to this process. To get involved as a community partner, or if you have other questions, please reach out to Ms. Oscarson and Mrs. Tadych.

Mrs. Mackenzie Tadych
Director of College, Career,
and Life Readiness

Mrs. Linsey Davis
Secondary Counselor
