

Understanding Empower

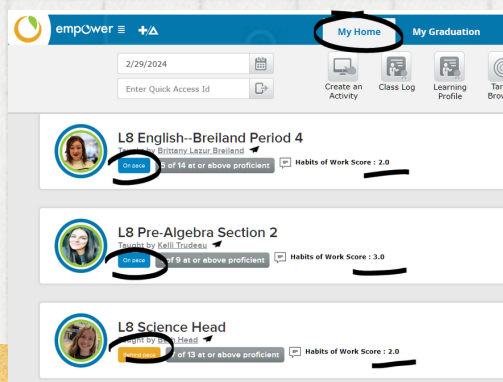

NORTHERNCASS.EMPOWERLEARNING.NET

01 WHAT IS EMPOWER

Empower is the online learning management system Northern Cass utilizes. On Empower you will find your learners assignments and the scores they have received. Empower is also where you will find if you learner is ahead/ on pace/ or behind pace on their classes.

03 PACING & HABITS OF WORK

Educators will update learner pacing and habits of work weekly.

- Pacing is based off of work completion and proficiency on work completed.
- Habits of Work (HOW), which are skills that allow learners to be successful. HOW expectations can be viewed on the QR code to the right.

HOW TO INTERPRET EXAMPLE ABOVE

This learner is on pace in the first two classes. In science, they are a 1+ standards behind the pace set by the educator to get all standards done in a typical school year.

H.O.W. scores: for English/Science is a 2.0 (Learner did not meet expectations 1-2 times)

For Pre-Alg, H.O.W. is at a 3.0! (Expected score)

04 MISSING WORK

Empower has a notification symbol that allows you to easily see the amount of missing assignments. Learners can also log into their accounts and view missing assignments from their dashboard. By clicking on the highlighted number, they can see the specific assignment that is missing.
