## **NEEDS ASSESSMENT: IDENTIFYING PRIORITIES**

"In most schools, conducting a comprehensive needs assessment will result in the identification of a large number of issues that could be addressed to improve the achievement of students. However, no school should attempt to address every identified need in a single year. Most planning experts suggest that schools prioritize their major issues and address no more than three of the most important..."

(Designing Schoolwide Programs Non-Regulatory Guidance, March 2006)
