

The web application for Virtual Elementary Summer of 2024 is now available on our website. The start date is May 14, 2024 and the very last day to turn in any work is June 28, 2024 at 11:01 PM. The last day to sign up to take a course with us is June 2, 2024. Students will be expected to complete 120 hours in the timeframe that they have from their start date until June 28, 2024. Example, if a student starts on May 14, 2024 then they will need to average 4 hours each day (Monday thru Friday) to complete the time requirement.

The student can complete the work anywhere that there is an internet connection. The lessons are Flexible and Game-based. Students also have access to a Big Universe Literacy Library.

The teachers along with their mentors are available anytime by email.

**MOSI is a FREE virtual summer school program that is open to all students in the State of Missouri** (home schooled, private, or public). The only thing is that a student may not be enrolled in summer school with their school and enroll with us over the summer.

**According to Section 167.227 RSMO, “No pupil shall attend summer school courses in more than one district during any one summer.” Students who enroll in MOSI may not enroll in and attend summer school courses in another district, and students who enroll in another summer school program are ineligible to enroll in MOSI.** If, you have any questions please feel free to contact Elaine Schlett at 636-944-3390 Option 4 or by email at [schlette@grandviewr2.org](mailto:schlette@grandviewr2.org)
