Dear Parent/Guardian,

In preparation for the January Keystone Exam window, we have made plans to offer review opportunities for those learners who did not receive a proficient score as of Summer, 2023 and therefore need to retest. Proficient scores on all three Keystones - Algebra I, Biology, Literature - is the "cleanest" pathway towards meeting Pennsylvania's [Act 158 Graduation requirements](#). **Learners will take each Keystone at least two times before we move on to other pathway options.** After school review sessions will be from 2:30-3:30 pm on the dates listed below.

Algebra I	Biology	Literature
Monday, December 4	Monday, December 4	Monday, December 4
Tuesday, December 5	Tuesday, December 5	Tuesday, December 5
Wednesday, December 6	Wednesday, December 6	
Thursday, December 7	Thursday, December 7	Thursday, December 7
Monday, December 11	Monday, December 11	
Tuesday, December 12		
Wednesday, December 13	Wednesday, December 13	
Thursday, December 14	Thursday, December 14	Thursday, December 14
Monday, December 18	Monday, December 18	
		Tuesday, December 19

Transportation home at 3:30 pm is the responsibility of the family. Please make sure your child is picked up on time. Learners should come to review sessions focused on the task at hand. Learners who are causing a distraction to the review session will be asked to leave.

After school sessions will focus on a check-in between the teacher and the learner regarding areas for growth and then review/practice using a workbook with support of at least one teacher per review session. Please complete the Google Form linked [HERE](#) to sign your child up for review. Please sign up as soon as possible as review sessions start next week.

Official score reports from the Spring and Summer, 2023 Keystone administrations were distributed in the fall. WASHS Assistant Principal, [Dr. Allison Kopco](#), notified those who need to retest via WASD email today. If you are unsure if your child needs to retest, please contact Dr. Kopco via email.

Respectfully,

Dr. Diane A. McCallum, principal
