## DELWOOD MISSION STATEMENT

**Striving to meet the individual needs of children in a family atmosphere, promoting positive and creative learning.**

To the Delwood Community,

Our Veterans Day Program is scheduled for Friday, November 10th at 10:30 AM, and as always we invite community members to join in our program that morning. Please contact the office if you wish to stay for lunch. The cost for lunch is \$4.85 for adults and \$2.25 for children. We are excited to be able to have the Veterans Day Program again this year.

Thank you to all the parents that attended parent/teacher conferences in October. It was great seeing all the families those two nights. Families play a big role in children's education and we want to make sure you continue to be a part of their education at Delwood.

Colder weather is setting in whether we are ready or not. Please make sure students are dressing for the weather as it changes a lot during this time of year. We will be taking students outside for recess and P.E. as long as the temperature is 0 degrees or warmer.

Just as in past years, we will be having conversations within the classroom about what to do if the school would ever have to go into lockdown. We will be practicing a lockdown in November, so students understand the procedures, just like we do for fire and tornado.

There is no school November 22nd-24th for Thanksgiving Break. Enjoy the time with family and friends.

Sincerely,

Marty Marshall
