DELWOOD MISSION STATEMENT

Striving to meet the individual needs of children in a family atmosphere, promoting positive and creative learning.

To the Delwood Community,

I would like to wish everyone a wonderful Holiday Season and a Happy New Year! Students will return to school on Thursday, January 4th and this day is a full day back.

It was great to see so many people attend our Winter Concert and our students did an awesome job at singing and playing their songs. Thank you to Mr. Knowles for putting everything together to have such a great concert. Thank you to Rick, Michelle, and the 6th grade class for getting the gym ready and taking everything down after the concert.

As we have done in past years, we had some fun activities for our students to participate in during the month of December. Our K-6 students went to the nursing homes in Maquoketa to sing Christmas Carols to the residents. We went to the Voy Theatre in Maquoketa to watch The Grinch and the last day before break students spent time doing different activities within our building like decorating cookies, playing games, doing crafts, etc.

Students will be taking the Winter FAST assessments starting in the middle of January. Students take these assessments three times a year. FAST assessments happen in the Fall, Winter, and Spring. This allows students to show their growth throughout the year and this also helps our teachers plan different interventions for all students.

I would like to encourage everyone to take some time during Winter Break to read either with your children or have your children spend time reading to themselves. Have a great break!

Sincerely,

Marty Marshall
