AGENDA

A. Welcome to our newest SBC members:

Mr. Peck would like to Welcome all participants to the meeting . Any and all community members are welcome to attend and participate in all Building Committee Meetings. Brief introduction of Joe & Tony project managers.

B. Discussion of Timeline:

Sept 15th, Will need to submit the stage II application which includes “What the Project Is” the application will get forwarded to RIDE for approval .. The application will be the scope of the project. Design docs and the whole project cost will be submitted at this time. Once the timeline is developed it will need to be sent out to the public in a strategic way. It’s important to get it out to the public so everyone is updated at the same time - Downes will help create a brochure with Key facts and Guidelines for the project . The Facts and Options need to be highlighted and listed so the community has the opportunity to discuss any of the issues. Kate Benoit will work on the website to create space that will have all updated information for the project.

C. Discussion: RFQ - Architectural, Engineering, and Design Services:

RIDE will be involved in all meetings going forward so they remain up to date with our project at all times. There will be several construction documents and plans presented before the final project cost is established.. Once the budget is determined and voted upon we will need to stay within the final figure .. We will be able to go under however not higher than the estimated cost.

D. Discussion of future meeting dates -

Meeting day and time going forward will be the 3rd Tuesday of every month.
